

How to upload MyGuide Chrome Extension to the Chrome Web Store

Step: 01

Go to <https://chrome.google.com/webstore/>

Step: 02

Click "Sign in"

Step: 03

Log into Google Admin account

Step: 04

Click the gear cog icon

Step: 05

Select "Developer Dashboard"

Step: 06

Click on "Add new item"

The screenshot shows the Chrome Web Store Developer Dashboard. At the top, there is a search bar and a notification banner. Below the banner, the "Developer Dashboard" section is visible, including "Your Listings" and a button labeled "Add new item". A white callout box with a red border and a pointer highlights the "Add new item" button, with the text "Click on 'Add new item'" inside. At the bottom of the page, there is a footer with copyright information and navigation links.

chrome web store .com Search the store

As of November 21st, 2016, all newly published packaged or hosted apps are restricted to Chrome OS, and are not available to users on Windows, Mac or Linux.

All packaged and hosted apps will be removed from Chrome Web Store search & browse functions in mid-December 2017. Existing apps will continue to work and receive updates. - [More Info](#)

Step: 07

Click on "Accept"

Step: 08

Click on "Choose file"

The screenshot shows the Chrome Web Store Developer Dashboard. At the top, there is a search bar and a dropdown menu set to ".com". Below this, the breadcrumb "Developer Dashboard > Add new item" is visible. The main heading is "Upload an extension or app (.zip file)". Underneath, there are two buttons: "Choose file" (highlighted with a red box) and "Upload". A callout box with a pointer to the "Choose file" button contains the text "Click on 'Choose file'". Below the buttons, there is a message: "Directory, not a packaged CRX file. icon in your manifest (more info).". A list of links follows: "Read the documentation about creating and packaging apps." and "Need more help? Check out the Chrome Web Store developer documentation." At the bottom, there is a footer with the text "© 2019 Google - Home - About Google - Privacy Policy - Developer Agreement - Program Policies - My Extensions & Apps - Developer Dashboard - Web Store FAQ - Help".

Step: 09

After selecting the zip folder containing the extension file, click "Upload"

The screenshot shows the Chrome Web Store Developer Dashboard. At the top, there is a search bar and a language/location selector. Below that, the breadcrumb trail reads "Developer Dashboard > Add new item". The main section is titled "Upload an extension or app (.zip file)". It displays a file named "Sample upload.zip" with a size of "0 B / 11.1 MB" and a "Remove" link. Below the file information are two buttons: "Choose file" and "Upload". The "Upload" button is highlighted with a red box. A callout box with a location pin icon points to the "Upload" button and contains the text: "After selecting the zip folder containing the extension file, click 'Upload'". Below the callout box, there are links for "packaged CRX file.", "manifest (more info).", "packaging apps.", and "b Store developer documentation.". At the bottom of the page, there is a footer with the text "© 2019 Google - Home - About Google - Privacy Policy - Developer Agreement - Program Policies - My Extensions & Apps - Developer Dashboard - Web Store FAQ - Help".

Step: 10

The upload has begun!

The screenshot shows the Chrome Web Store Developer Dashboard. At the top, there is a search bar and a dropdown menu set to ".com". Below this, the breadcrumb "Developer Dashboard > Add new item" is visible. The main heading is "Upload an extension or app (.zip file)". Underneath, a file named "Sample upload.zip" is shown with a progress bar indicating "1.06 MB / 11.1 MB" and a "Cancel" button. There are "Choose file" and "Upload" buttons. A white notification box with a blue location pin icon and the text "The upload has begun!" is overlaid on the page. Below the notification, there is a section titled "Uploading an item:" followed by a list of instructions: "Upload a ZIP file of your item directory, not a...", "Include a well-designed product icon in your...", "Read the documentation about creating and packaging apps.", and "Need more help? Check out the Chrome Web Store developer documentation." At the bottom of the page, there is a footer with the text "© 2019 Google - Home - About Google - Privacy Policy - Developer Agreement - Program Policies - My Extensions & Apps - Developer Dashboard - Web Store FAQ - Help" and a language/location selector showing "Language: English - Location: India".

Step: 11

After the extension is uploaded, you have to fill the detailed description

Step: 12

Uploading at least one screenshot is mandatory here

The image shows a screenshot of a Google My Business profile editing interface. A white notification box with a location pin icon and the text "Uploading at least one screenshot is mandatory here" is overlaid on the "Screenshots" section. The interface includes sections for "Icon", "Screenshots", "Promotional tile images", "Promotional tile previews", and "Websites".

The screenshot displays the Google Play Developer Console interface. At the top, a warning message states: "This item contains content that may not be suitable for all ages." Below this, the "Analytics" section includes a "Google Analytics ID UA:" field. The "Requirements" section shows "No requirements". The "Visibility options" section has three radio buttons: "Public" (selected), "Unlisted", and "Private". A prominent white callout box in the center reads: "A one-time developer registration fee of US\$5.00 is required to verify and publish items. You can publish a maximum of 20 extensions from one account." A yellow banner at the bottom of the main content area repeats the fee warning. At the bottom right, a white callout box points to the "Preview changes" button, which is highlighted with a red box. Other buttons visible include "Discard draft", "Save draft and return to dashboard", and "Publish changes". The footer contains the text: "Language: English - Location: India © 2019 Google - Home - About Google - Privacy Policy - Developer Agreement - Program Policies - Your Apps - Developer Dashboard - Web Store FAQ - Help".
