

How to Assign Key Pair to Applications

Step: 01

Login with your MyGuide credentials!

The screenshot displays the MyGuide dashboard interface. At the top left is the 'myGuide' logo. A notification box in the top center reads 'Login with your MyGuide credentials!'. The top right corner shows a 'DOWNLOAD' button and the user's name 'Aishwarya'. A dark sidebar on the left contains navigation links for Home, Organization, Applications, Users, and Domains. The main content area is titled 'Dashboard' and features four colored cards: a blue card for 'Organization' with a count of '1', a green card for 'Applications' with a count of '2', an orange card for 'Users' with a count of '3', and a red card for 'Domains' with a count of '0'. The footer contains copyright information for 2020, the URL 'https://admin.guideme.io/organizations', and a support email 'support@edcast.com'.

Step: 02

Click on "APIs & Services"

The screenshot displays the myGuide by edcast interface. The top navigation bar includes the logo, a 'DOWNLOAD' button, and the user name 'Aishwarya'. The left sidebar contains navigation links for Home, Organization, Applications, Users, and Domains. The main content area shows the 'Organization Details' for 'Pear', which is a dedicated organization for Aishwarya. Key statistics include 2 total applications, 3 total users, 3 total roles, and 0 total domains. The organization was created on 07 August 2018 and last modified on 21 April 2020. A callout box with a location pin icon points to the 'APIs & Services' button in the right-hand menu, which is highlighted with a red border. Other menu items include 'Activity', 'Edit', and 'Role'. The footer contains copyright information and a support email address.

Step: 05

Click "Ok" to confirm

The screenshot displays the myGuide by edcast web application interface. A dark sidebar on the left contains navigation links for Home, Organization, Applications, Users, and Domains. The main content area shows a breadcrumb trail: Home > Organization > APIs & Services. Below this, a table titled 'Applications' lists two entries:

	IMAGE	APPLICATION NAME	CREATION DATE	MODIFICATION DATE
<input checked="" type="checkbox"/>		Application 01	07 August 2018	20 April 2020
<input checked="" type="checkbox"/>		Application 02	24 April 2019	24 April 2019

An 'Authentication' dialog box is overlaid on the table, asking 'Are you sure you want to update Application settings?'. It features 'Cancel' and 'OK' buttons. A red box highlights the 'OK' button. A callout box with a location pin icon points to the 'OK' button and contains the text 'Click "Ok" to confirm'. The top right of the interface shows a 'DOWNLOAD' button and the user's name 'Aishwarya'. The footer contains copyright information and a support email address.

Step: 06

Your settings have been updated! Click "Ok"

The screenshot displays the myGuide by edcast web application interface. A dark sidebar on the left contains navigation links for Home, Organization, Applications, Users, and Domains. The main content area is titled 'Applications' and features a table with the following data:

	IMAGE	APPLICATION NAME	CREATION DATE	MODIFICATION DATE
<input checked="" type="checkbox"/>		Application 01	07 August 2018	20 April 2020
<input checked="" type="checkbox"/>		Application 02	24 April 2019	24 April 2019

Two notification boxes are overlaid on the interface. The first is a 'Success!' message stating 'Application settings have been updated successfully.' with a red 'Ok' button. The second is a larger white dialog box with the text 'Your settings have been updated! Click "Ok"' and a blue location pin icon. The footer of the page includes 'Copyright © 2020 - MyGuide by EdCast' and 'Need any help, please mail us at support@edcast.com'.
