

How to change Button Labels of Modes in Salesforce Lightning App

Step: 01

Welcome!

In this guide, we will learn to change Button Labels of Modes in Salesforce Lightning App

Step: 02

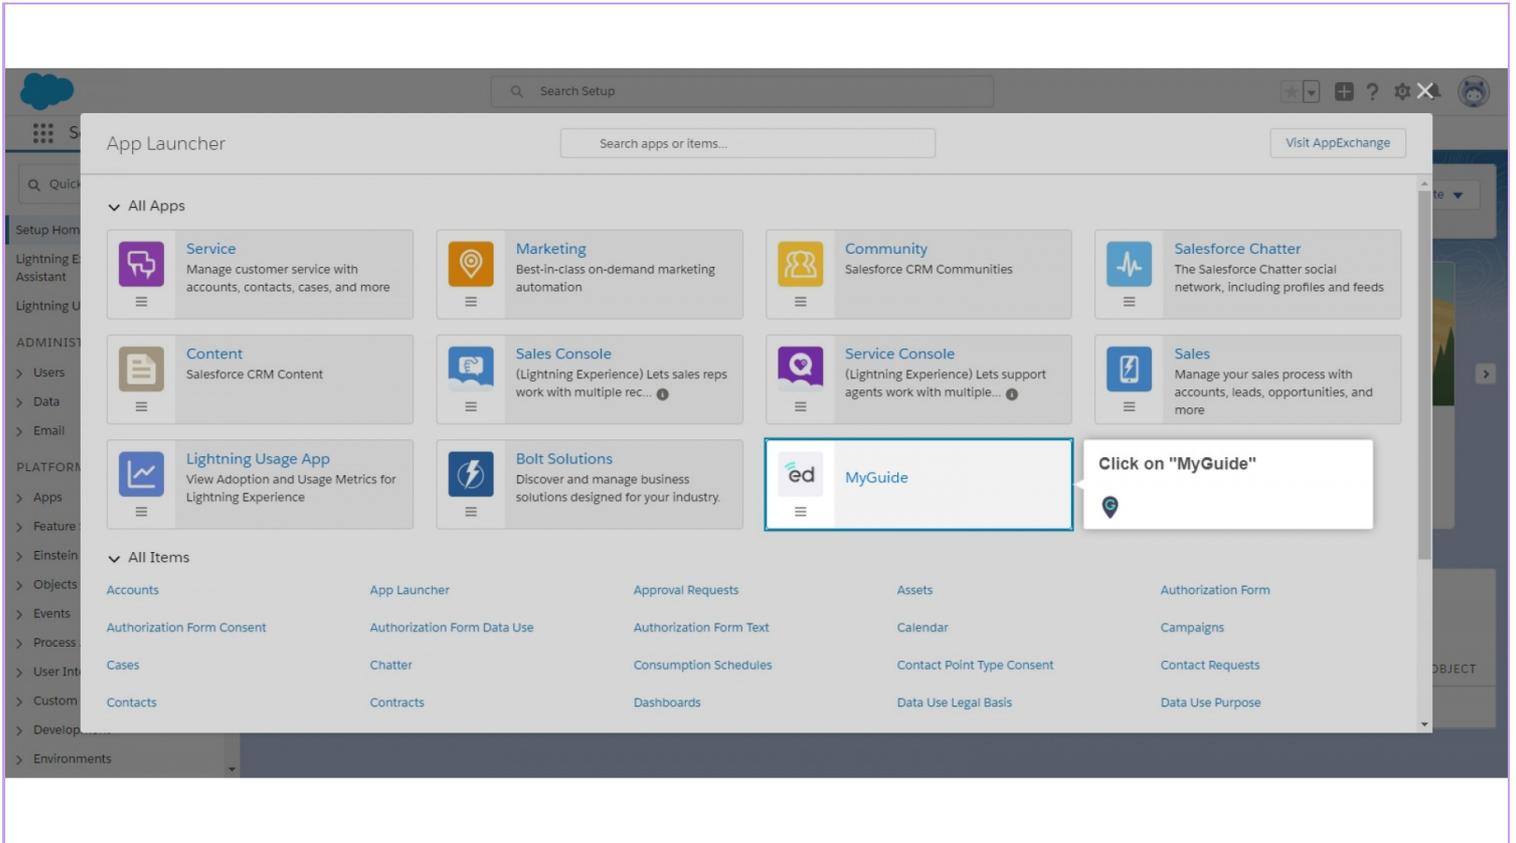

Click on "App Launcher" icon

The screenshot shows the Salesforce dashboard interface. A white callout box with a blue border and a location pin icon points to the App Launcher icon in the top left corner. The callout text reads "Click on 'App Launcher' icon". The dashboard itself features a top navigation bar with a search bar and various menu items. The main content area includes a "Quarterly Performance" chart showing sales trends from July to September, with a goal line and a legend. Below the chart are sections for "Today's Events" and "Today's Tasks". On the right side, there is an "Assistant" panel with two notifications: "Opportunity is overdue Edge Emergency Generator" and "30 days without any activity Lead". The bottom left corner of the dashboard displays the "MyGuide" logo.

Step: 03

Click on "MyGuide"

Step: 04

Click on "EdCast Settings"

The screenshot shows the MyGuide web application interface. At the top, there is a navigation bar with the 'ed' logo, a search bar, and several menu items: 'MyGuide', 'Accounts', 'Opportunities', 'Calendar', 'Campaigns', 'Contacts', and 'EdCast Settings'. The 'EdCast Settings' menu item is highlighted with a blue box, and a white callout box with a red border points to it, containing the text 'Click on "EdCast Settings"'. Below the navigation bar, the main content area displays a table of 'Recently Viewed' accounts. The table has four columns: 'ACCOUNT NAME', 'ACCOUNT SITE', 'PHONE', and 'ACCOUNT OWNER ALIAS'. There are four rows of data, each with a checkbox in the first column. The table is titled 'Accounts Recently Viewed' and shows '4 Items • Updated a few seconds ago'. At the bottom left of the page, there is a 'MyGuide' logo.

	ACCOUNT NAME	ACCOUNT SITE	PHONE	ACCOUNT OWNER ALIAS
1	<input type="checkbox"/> Professional	demo	85487548754	AShem
2	<input type="checkbox"/> Edge Communications		(512) 757-6000	AShem
3	<input type="checkbox"/> Business	Demo	(875) 487-5487	AShem
4	<input type="checkbox"/> Business Account	demo.com	(326) 554-2154	AShem

Step: 05

Change "ShowMe" button label from here

The screenshot displays the Salesforce MyGuide interface, specifically the EdCast Settings page. The top navigation bar includes the MyGuide logo, a search bar, and various menu items like Accounts, Opportunities, Calendar, Campaigns, and Contacts. The EdCast Settings page is divided into sections: Button Label Settings, MyGuide Zip Settings, and Resource Name. The Button Label Settings section contains three rows, each with a button icon and a text input field. The first row, labeled 'ShowMe', has a text input field containing 'ShowMe'. A callout box with a location pin icon points to this field, containing the text 'Change "ShowMe" button label from here'. Below the input fields are 'Save' and 'Cancel' buttons. The MyGuide Zip Settings section includes a 'Resource Content Url' field. The Resource Name section is partially visible at the bottom.

Step: 06

Change "GuideMe" button label from here

The screenshot displays the Salesforce MyGuide interface, specifically the 'EdCast Settings' page. The top navigation bar includes the MyGuide logo and a search bar. Below the navigation, there are 'Save' and 'Cancel' buttons. The main content area is titled 'Button Label Settings' and contains three rows of settings:

- ShowMe**: The label field contains 'ShowMe'.
- GuideMe**: The label field contains 'GuideMe' and is highlighted with a blue border.
- DoltForMe**: The label field contains 'DoltForMe'.

Below these settings are another 'Save' and 'Cancel' buttons. A callout box with a location pin icon points to the 'GuideMe' label field, containing the text: "Change 'GuideMe' button label from here". Below the button settings is a section titled 'MyGuide Zip Settings' with a 'Resource Content Url' field.

Step: 07

Change "DoltForMe" button label from here

Step: 08

Click on "Save"

The screenshot shows the Salesforce MyGuide interface. At the top, there is a navigation bar with the MyGuide logo and a search bar labeled "Search Salesforce". Below the navigation bar, there are several tabs: "Accounts", "Opportunities", "Calendar", "Campaigns", "Contacts", and "EdCast Settings". The "EdCast Settings" tab is currently selected. Below the tabs, there are two green buttons: "Save" and "Cancel". The main content area is divided into two sections: "Button Label Settings" and "MyGuide Zip Settings". The "Button Label Settings" section contains three rows, each with a radio button, a label, and a text input field. The first row is for "ShowMe" with the input field containing "ShowMe". The second row is for "GuideMe" with the input field containing "GuideMe". The third row is for "DoltForMe" with the input field containing "DoltForMe". Below the "DoltForMe" row, there is a green "Save" button. A callout box with a location pin icon and the text "Click on 'Save'" is positioned over the "Save" button. The "MyGuide Zip Settings" section contains two rows, each with a label and a text input field. The first row is for "Resource Content Url" and the second row is for "Resource Name". The bottom left corner of the page shows the MyGuide logo.

Step: 09

The button labels of modes in Salesforce Lightning App are changed successfully!

The screenshot displays the Salesforce Lightning App interface for the MyGuide settings page. At the top, a navigation bar includes the MyGuide logo and menu items for Accounts, Opportunities, Calendar, and Campaigns. A success message banner at the top left reads "Success: MyGuide Enterprise settings are saved successfully." A central notification box states "The button labels of modes in Salesforce Lightning App are changed successfully!". The main content area is divided into two sections: "MyGuide Settings" and "Button Label Settings".
