

How to create a developer Org for Salesforce

Step: 01

Welcome to MyGuide

In this guide we will learn how to create a Developer Org for Salesforce

The screenshot shows the Salesforce Trailhead homepage. At the top is a dark blue navigation bar with the 'salesforce developers' logo, links for 'PRODUCTS', 'RESOURCES', 'COMMUNITY', 'BLOG', and 'TRAILHEAD', a search bar, and 'Login' and 'Sign Up' buttons. Below the navigation bar is a large hero section with a colorful illustration of a campsite. On the right side of the hero section, there is a 'Global Gatherings' menu with links to 'Video Gallery', 'The MOAR You Know', and 'Learn with Trailhead'. A white overlay box in the center of the hero section reads: 'Welcome to MyGuide. In this guide we will learn how to create a Developer Org for Salesforce'. Below the hero section, there are two main columns. The left column is titled 'Be a Trailblazer - Build apps of the future.' and contains a paragraph about the Salesforce Platform, followed by four tiles for 'Lightning Platform', 'Einstein', 'Heroku', and 'Trailhead'. The right column is titled 'Community' and 'Resources & Tools' and contains four tiles: 'Upcoming Events', 'Ask Questions', 'Join Your Local Dev Group', 'Get Free Tutorials', 'Salesforce for VS Code', and 'Latest Blog Posts'.

Step: 02

Click on "Sign Up"

The screenshot shows the Salesforce Trailhead website. The header includes the Salesforce logo, 'developers', and navigation links for PRODUCTS, RESOURCES, COMMUNITY, BLOG, and TRAILHEAD. A search bar and 'Login'/'Sign Up' buttons are on the right. A callout box points to the 'Sign Up' button with the text 'Click on "Sign Up"'. The main banner features a cartoon illustration of a bear and a person at a campfire, with the text 'Global Gatherings' and 'Experience the best of TrailheadDX with a Community Group near you.' Below this is a 'Register Now >' button. The lower section is divided into 'Be a Trailblazer - Build apps of the future.' and 'Community'/'Resources & Tools' sections.

Global Gatherings

Experience the best of TrailheadDX with a Community Group near you.

The image shows a promotional banner for the Salesforce Lightning Platform Developer Edition on the left and a sign-up form on the right. The banner features a dark blue background with various icons and a computer monitor displaying the platform's interface. Below the monitor, several bullet points list the platform's capabilities. The sign-up form is titled 'Get your very own Developer Edition' and includes fields for Name (First and Last), Email, Role, Company (Company Name), Country (United States), Postal Code, and Username. A white callout box with a location pin icon points to the Email field, containing the text 'Enter "Your email address"'. A small '[~]' button is visible on the right edge of the form.

Step: 08

Select a "Country"

The image shows a composite of two screenshots. The left screenshot is a promotional banner for Salesforce Lightning Platform with a dark blue background and white text. It features a monitor displaying a dashboard with charts and a map of the United States. The text on the banner includes: "Explore Lightning Platform, the fastest way to create enterprise cloud apps", "Build apps Lightning fast with drag and drop tools", "Customize your data model with clicks", "Go further with Apex code", "Integrate with anything using powerful APIs", "Stay protected with enterprise-grade security", and "Customize UI with clicks or any leading-edge web framework". The right screenshot is the "Get your very own Developer Edition" sign-up page. It has a light gray background and the Salesforce Lightning Platform logo at the top. The page title is "Get your very own Developer Edition" with the subtitle "A full-featured copy of Lightning Platform, for FREE." Below the title is a form with fields for Name (First and Last), Email (Your email address), Role (Your job role), Company (Company Name), Country (United States), Postal Code, and Username (Ex: name@yourcompany.com). A blue "Sign me up >" button is at the bottom. A white callout box with a location pin icon and the text "Select a 'Country'" points to the Country dropdown menu.

Step: 11

Click on "Sign me up" and wait for your welcome email

In the welcome email, click the link to set your password

The image shows a composite of two parts. On the left is a promotional graphic for the Lightning Platform with a dark blue background and white text. It features a monitor displaying a dashboard with charts and maps. Below the monitor, several bullet points list features: 'Build apps Lightning fast with drag and drop tools', 'Customize your data model with clicks', 'Go further with Apex code', 'Integrate with anything using powerful APIs', 'Stay protected with enterprise-grade security', and 'Customize UI with clicks or any leading-edge web framework'. On the right is a screenshot of the Salesforce 'Sign me up' form. The form includes fields for 'Role' (a dropdown menu), 'Company' (a text field for 'Company Name'), 'Country' (a dropdown menu set to 'United States'), 'Postal Code' (a text field), and 'Username' (a text field with the example 'name@yourcompany.com'). Below these fields is a checkbox for 'By registering, I agree to the Terms of Use and the Master License Agreement. My account creation is subject to the Privacy Policy'. A blue 'Sign me up >' button is at the bottom of the form. A white callout box with a blue border is positioned over the button, containing the text: 'Click on "Sign me up" and wait for your welcome email' and 'In the welcome email, click the link to set your password'. At the bottom of the form, there is a link for 'Already have a Salesforce Developer Environment? Log In'.

Thank You!
