#### Tap the ellipsis

#### Tap on edit button

#### Tap on "Shapes"

## Select a shape

### Type a title and tap the check mark when done

You can change the color of the title if you want

## There are many help tools to customize the step like you can increase opacity or blur the image

If you want to highlight a specific are on the image, you need to draw a shape around the area and it will be highlighted

This is how the blur feature works

To save the step you edited, tap on this icon
