

How to enable Admin Settings for an Organization

Step: 01

Log into the Super Admin panel using the dedicated credentials

Go to the organization from here in which you want to enable or disable a particular feature

Step: 02

Click the "Admin Settings" tab

The screenshot displays the MyGuide by EdCast web application interface. The top navigation bar includes the 'myGuide by edcast' logo on the left and a 'DOWNLOAD' button and user profile icon on the right. A dark sidebar on the left contains navigation links for Home, Organizations, Applications, Users, and Domains. The main content area shows the breadcrumb 'Home > Organization > MyGuide Library' and the title 'Organization Details'. Below this, there is a 'MyGuide Library' section with a description: 'An organization, where every member of EdCast can try their hands on MyGuide! It has guides on different platforms.' Key statistics are listed: 'Total Applications: 16', 'Total Users: 278', 'Total Roles: 7', and 'Total Domains: 1'. Dates for 'Creation Date: 26 June 2019' and 'Modification Date: 16 March 2020' are also shown. A horizontal menu of tabs is visible, with 'Admin Settings' highlighted in red. A callout box with a location pin icon points to the 'Admin Settings' tab, containing the text 'Click the "Admin Settings" tab'. The footer contains the copyright notice 'Copyright © 2020 - MyGuide by EdCast' and the support email 'support@edcast.com'.

Step: 03

Here is the list of all features

Scroll down to see more

The screenshot displays the 'Admin Settings' page in the myGuide interface. A callout box highlights the text 'Here is the list of all features' and 'Scroll down to see more'. The page lists various features, each with an 'Enable' (checked) and 'Disable' (unchecked) radio button.

Feature	Enable	Disable
DoITForMe	<input checked="" type="radio"/>	<input type="radio"/>
MyChat	<input checked="" type="radio"/>	<input type="radio"/>
My Training	<input checked="" type="radio"/>	<input type="radio"/>
TeachMe	<input checked="" type="radio"/>	<input type="radio"/>
Onboarding Guides	<input checked="" type="radio"/>	<input type="radio"/>
App switcher	<input checked="" type="radio"/>	<input type="radio"/>
Guide translation	<input checked="" type="radio"/>	<input type="radio"/>
Show Beacon Guides on Current Page	<input checked="" type="radio"/>	<input type="radio"/>
Guide Segmentation	<input checked="" type="radio"/>	<input type="radio"/>
All Guides	<input checked="" type="radio"/>	<input type="radio"/>
Current Page	<input checked="" type="radio"/>	<input type="radio"/>
Myintel	<input checked="" type="radio"/>	<input type="radio"/>
CDN Player	<input checked="" type="radio"/>	<input type="radio"/>
Tooltip Enhancements	<input checked="" type="radio"/>	<input type="radio"/>
User Information Tracking	<input checked="" type="radio"/>	<input type="radio"/>
SSO	<input checked="" type="radio"/>	<input type="radio"/>

Step: 04

You can select the respective radio button to enable or disable a feature

To add the number limit for a feature, enter the digits in the respective text fields

Click on "Update", once done

The screenshot displays the 'myGuide by edcast' settings interface. On the left is a dark sidebar with navigation icons for Home, Organizations, Applications, Users, and Domains. The main content area is divided into several sections:

- Media File Creation:** Enable Disable
- Youtube Setting:** Enable Disable
- Enable Org and Guides JSON caching:** Enable Disable
- Allow on premise deployment:** Enable Disable
- Max Guide Limit:** A text input field with a grey background.
- Max Guide Publish Limit:** A text input field with the placeholder text 'Enter max guide publish limit'.
- Max Application Limit:** A text input field with a grey background.
- Max Step Limit:** A text input field with the placeholder text 'Enter max step limit'.
- Language Translation Rules:**
 - Language translation is available only when English (any variant) is selected as the default language.
 - If the default language is edited, previously selected language options in "Choose Language" will have to be reselected.
- Default Language:** A dropdown menu showing 'English (United States)' and a 'Zira' field.
- Choose Language:** A table with columns for language options and their status.

At the bottom right, there are three buttons: 'Update' (highlighted with a red box), 'Discard Changes', and 'Back'. Two callout boxes are present: one in the top right corner stating 'You can select the respective radio button to enable or disable a feature' and another in the bottom right corner stating 'Click on "Update", once done'.

Thank You!
