

How to generate API and Secret Credentials for
your Applications

Step: 01

Enter your credentials and check the captcha

And then log into the MyGuide admin portal

The image shows a screenshot of the MyGuide Admin Portal Login page. On the left, the login form includes the MyGuide by EdCast logo, the title "Admin Portal Login", and fields for "Email ID" (containing "aish+pear@edcast.com") and "Password" (masked with dots). There are checkboxes for "Remember" and "I'm not a robot", a "Forgot Password?" link, and a reCAPTCHA widget. A green "Login" button is at the bottom of the form. Below the form, it says "Need any help, please mail us at support@edcast.com" and "Copyright © 2020 - MyGuide by EdCast". On the right, an illustration shows a person sitting at a desk with a laptop, surrounded by icons of a paper plane, gears, and a lightbulb. A white callout box with a location pin icon contains the text: "Enter your credentials and check the captcha" and "And then log into the MyGuide admin portal".

Step: 02

Click on "APIs & Services"

The screenshot displays the myGuide by edcast dashboard. The left sidebar contains a menu with the following items: Dashboard, APIs & Services (highlighted), Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area features a 'Help & Support' header, a 'Download' button, and a user profile for 'Aishwarya'. Below the header, there are three cards: 'ORGANIZATIONS' with a count of 1, 'APPLICATIONS' with a count of 2, and 'USERS' with a count of 2. A callout box with the text 'Click on "APIs & Services"' points to the highlighted menu item. The footer contains the copyright notice 'Copyright © 2021 - MyGuide by EdCast' and the support email 'support@edcast.com'.

Step: 03

Click on "Generate Credentials"

The screenshot displays the myGuide by EdCast user interface. The top navigation bar includes the myGuide logo, a menu icon, 'Help & Support', a 'Download' dropdown, and a user profile for 'Aishwarya'. The left sidebar lists various navigation options: Dashboard, APIs & Services (highlighted), Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'API & Services' and contains a table with the following columns: Key Name, Key, Secret, Anonymous Access, JIT Provisioning, Creation Date, and Actions. The table currently shows 'No Data Found'. A callout box points to a green 'Generate Credentials' button in the Actions column.

Key Name	Key	Secret	Anonymous Access	JIT Provisioning	Creation Date	Actions
No Data Found						

Step: 04

Select the User Provisioning

- 1) Anonymous - If users do not want MyGuide to save their information, select Anonymous.
- 2) JIT - If you select JIT, then we check whether this email is already registered with MyGuide, if not, we add the person as a MyGuide User.

The screenshot shows the MyGuide user provisioning interface. A help dialog box is open, titled "Select the User Provisioning", which contains the following text:

- Anonymous - If users do not want MyGuide to save their information, select Anonymous.
- JIT - If you select JIT, then we check whether this email is already registered with MyGuide, if not, we add the person as a MyGuide User.

The background interface shows the "Generate Credentials" page under "API & Services". It includes a "User Provisioning" section with radio buttons for "Anonymous" and "JIT". Below this is a "Provide Key Name" field and a "Select Applications" dropdown menu with "Home" and "Sandbox" selected. "Cancel" and "Generate" buttons are at the bottom of the form.

Step: 05

Provide a Key Name

In this field, enter the purpose of creating this key.

The screenshot shows the MyGuide by EdCast interface for generating credentials. The left sidebar contains navigation items: Dashboard, APIs & Services, Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'Generate Credentials' and includes the following sections:

- Information about Generate Credentials**
 - Anonymous** - If users do not want MyGuide to save their information, select Anonymous.
 - JIT** - If you select JIT, then we check whether this email is already registered with MyGuide, if not, we add the person as a MyGuide User.
 - Key Name** - In this field, enter the purpose of creating this key. E.g., SSO, Test, Salesforce, js, etc.
- User Provisioning** with radio buttons for Anonymous and JIT.
- Provide Key Name *** with an empty text input field. A tooltip points to this field with the text: "Provide a Key Name. In this field, enter the purpose of creating this key."
- Select Applications** with a dropdown menu showing "Home x" and "Sandbox x".
- Buttons**: "Cancel" and "Generate".

At the bottom of the page, there is a copyright notice: "Copyright © 2021 - MyGuide by EdCast" and a support link: "Need any help, please mail us at support@edcast.com".

Step: 06

Select an application from here or you can select more than one application if you want

Step: 07

Click on "Generate"

The screenshot shows the 'myGuide by edcast' interface. The top navigation bar includes 'Help & Support', 'Download', and a user profile for 'Aishwarya'. The left sidebar lists various menu items: Dashboard, APIs & Services, Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'API & Services > Generate Credentials'. It contains an information box with the following text: 'Information about Generate Credentials', 'Anonymous - If users do not want MyGuide to save their information, select Anonymous.', 'JIT - If you select JIT, then we check whether this email is already registered with MyGuide, if not, we add the person as a MyGuide User.', and 'Key Name - In this field, enter the purpose of creating this key. E.g., SSO, Test, Salesforce, js, etc.'. Below this, there are radio buttons for 'User Provisioning' with 'Anonymous' and 'JIT' options. The 'JIT' option is selected. A text input field labeled 'Provide Key Name *' contains the text 'key1'. Below that is a dropdown menu for 'Select Applications' with 'Home' and 'Sandbox' selected. At the bottom of the form are 'Cancel' and 'Generate' buttons. A callout box points to the 'Generate' button with the text 'Click on "Generate"'. The footer contains 'Copyright © 2021 - MyGuide by EdCast' and 'Need any help, please mail us at support@edcast.com'.

Step: 08

You can assign applications from here

The screenshot shows the myGuide by edcast user interface. The left sidebar contains navigation options: Dashboard, APIs & Services, Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'API & Services' and features a 'Generate Credentials' button and a table of API keys. A callout box highlights the 'Assign Applications' button in the 'Actions' column of the table.

Key Name	Key	Secret	Anonymous Access	JIT Provisioning	Creation Date	Actions
Key1	2ca3b803ac0d07f3ed...	96912B22-0777-4329...	No	Yes	Thu, Feb 11, 2021	Assign Applications

Step: 09

Select the app and click on "Assign Applications"

The screenshot shows the myGuide by EdCast interface. The left sidebar contains a navigation menu with items: Dashboard, APIs & Services, Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'Help & Support' and shows a breadcrumb trail: Home > API & Services > Assign Applications. A table lists applications with columns: Select All, Application Name, Type, Description, Creation Date, and Modification Dates. Two applications are listed: 'Home' and 'Sandbox', both of type 'Guide'. A callout box with a location pin icon points to the 'Assign Applications' button in the top right corner of the table area. The callout text reads: 'Select the app and click on "Assign Applications"'. The footer contains copyright information: 'Copyright © 2021 - MyGuide by EdCast' and a support email: 'Need any help, please mail us at support@edcast.com'.

<input checked="" type="checkbox"/>	Select All	Application Name	Type	Description	Creation Date	Modification Dates
<input checked="" type="checkbox"/>		Home	Guide	This Is An Auto-generated Default Application.	Wed, Jan 6, 2021	Wed, Feb 10, 2021
<input checked="" type="checkbox"/>		Sandbox	Guide	This Is An Auto-generated Sandbox Application.	Wed, Jan 6, 2021	Wed, Jan 6, 2021

Step: 10

You can delete this key pair from here

The screenshot shows the myGuide by EdCast interface. The left sidebar contains navigation options: Dashboard, APIs & Services, Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'API & Services' and features a 'Generate Credentials' button. Below this is a table with the following data:

Key Name	Key	Secret	Anonymous Access	JIT Provisioning	Creation Date	Actions
Key1	2ca3b803ac0d07f3ed...	96912B22-0777-4329...	No	Yes	Thu, Feb 11, 2021	

A tooltip is displayed over the delete icon, stating: "You can delete this key pair from here".

Step: 11

1) To copy a key, you need to hover over it so you get a button to do so

The screenshot shows the myGuide by EdCast interface. The left sidebar contains navigation options: Dashboard, APIs & Services (selected), Applications, Manage Roles, Users, Segments, Domains, API Connector, Themes, Activity, User Provisioning, and Task List. The main content area is titled 'Help & Support' and 'API & Services'. A 'Generate Credentials' button is visible in the top right. Below it is a table with the following columns: Key Name, Key, Secret, Anonymous Access, JIT Provisioning, Creation Date, and Actions. The table contains one row for 'Key1'. The 'Key' column value is '2ca3b803ac...' and a 'Copy' button is visible next to it. A tooltip points to the 'Copy' button with the text: 'To copy a key, you need to hover over it so you get a button to do so'. The footer contains 'Copyright © 2021 - MyGuide by EdCast' and 'Need any help, please mail us at support@edcast.com'.

Key Name	Key	Secret	Anonymous Access	JIT Provisioning	Creation Date	Actions
Key1	2ca3b803ac... Copy	96012B22-0777-4329...	No	Yes	Thu, Feb 11, 2021
