

How to Set up Match Level

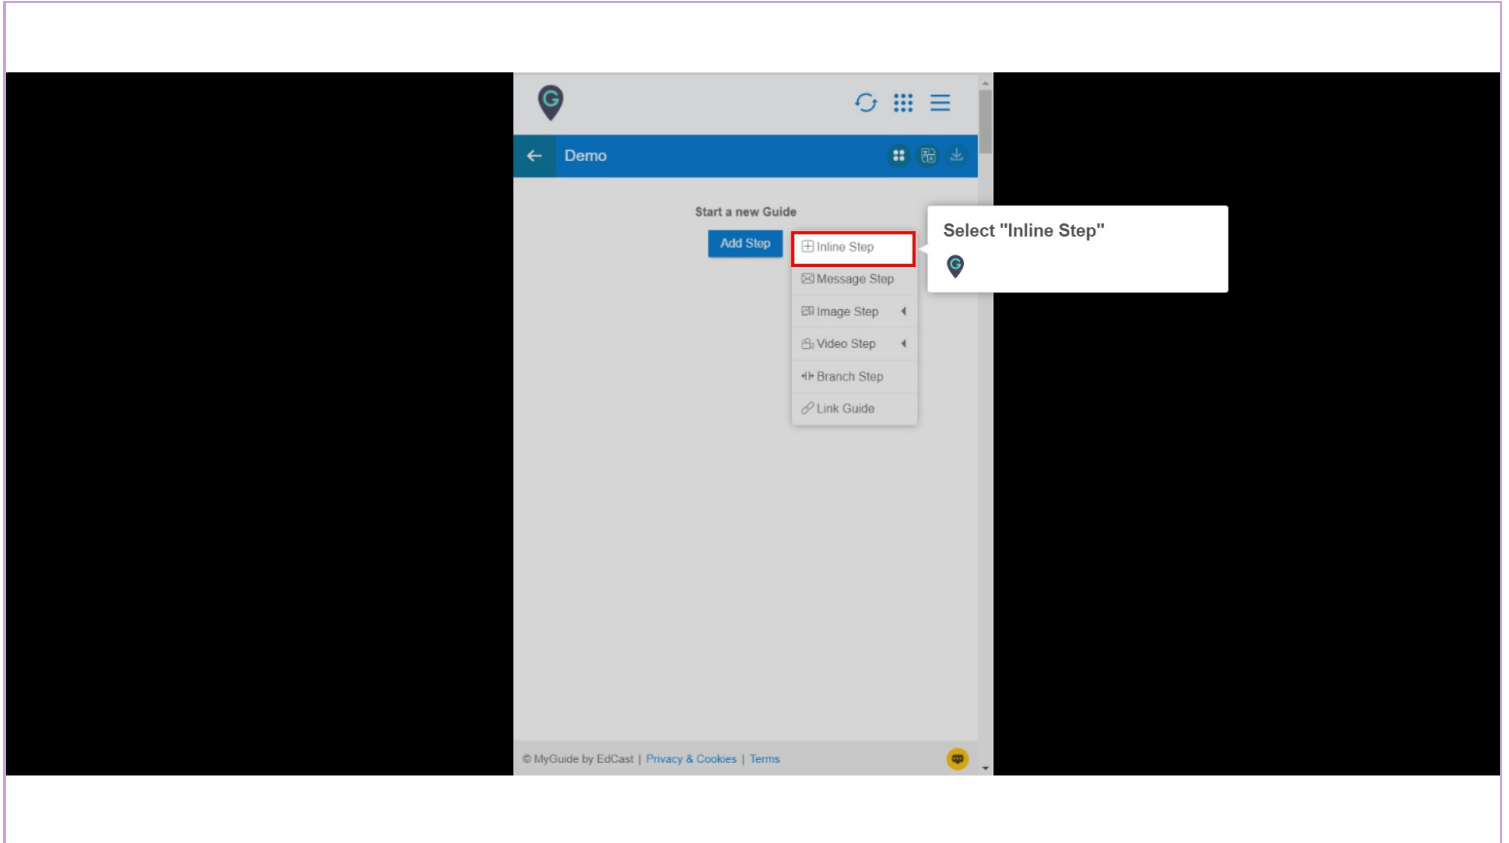

Step: 01

Click on "Add Step"

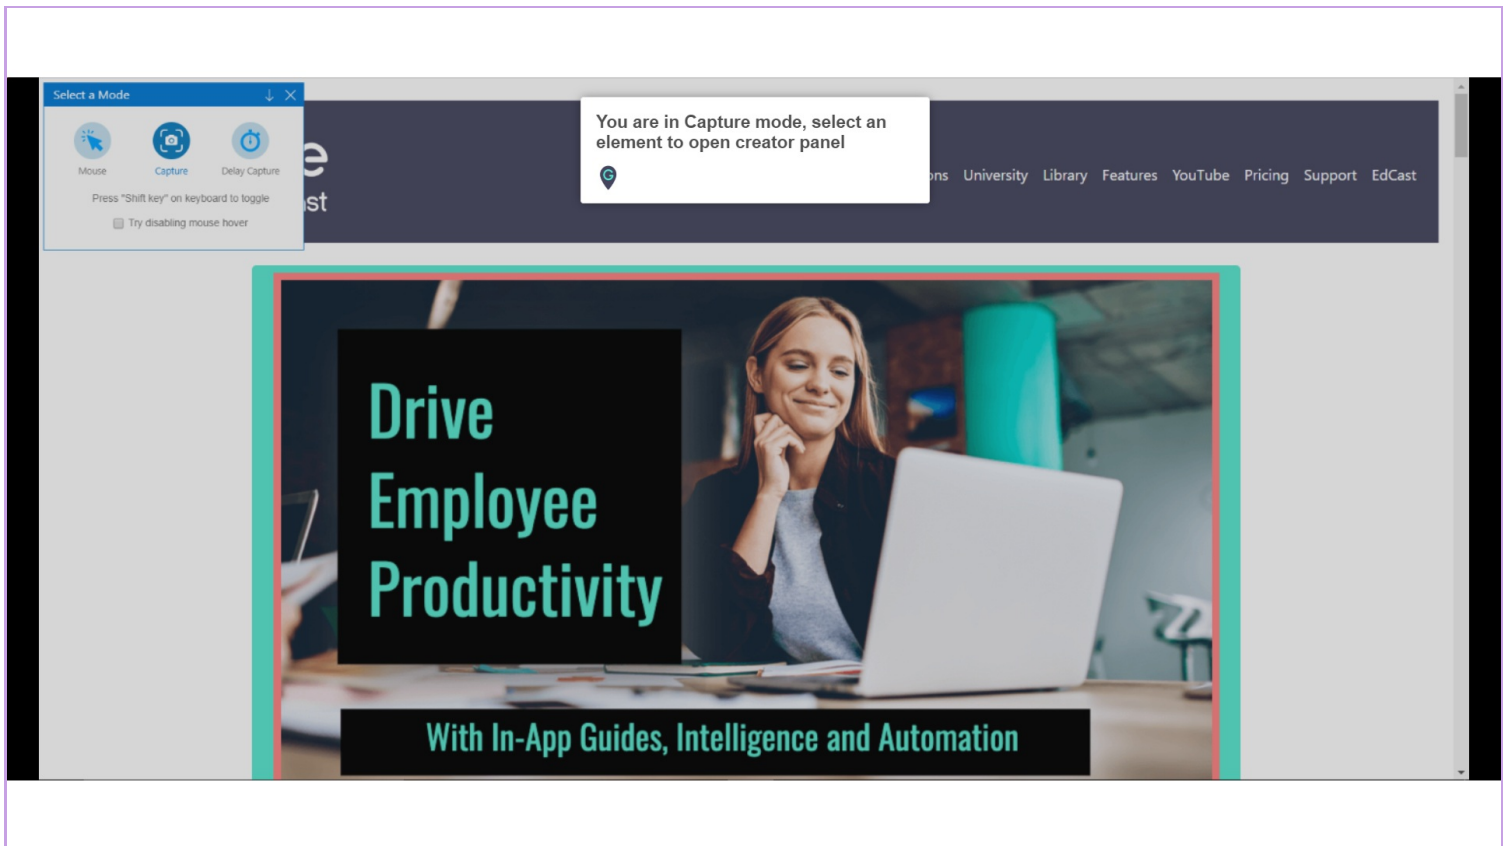

Step: 02

Select "Inline Step"

Step: 03

You are in Capture mode, select an element to open creator panel

Step: 04

Select an element

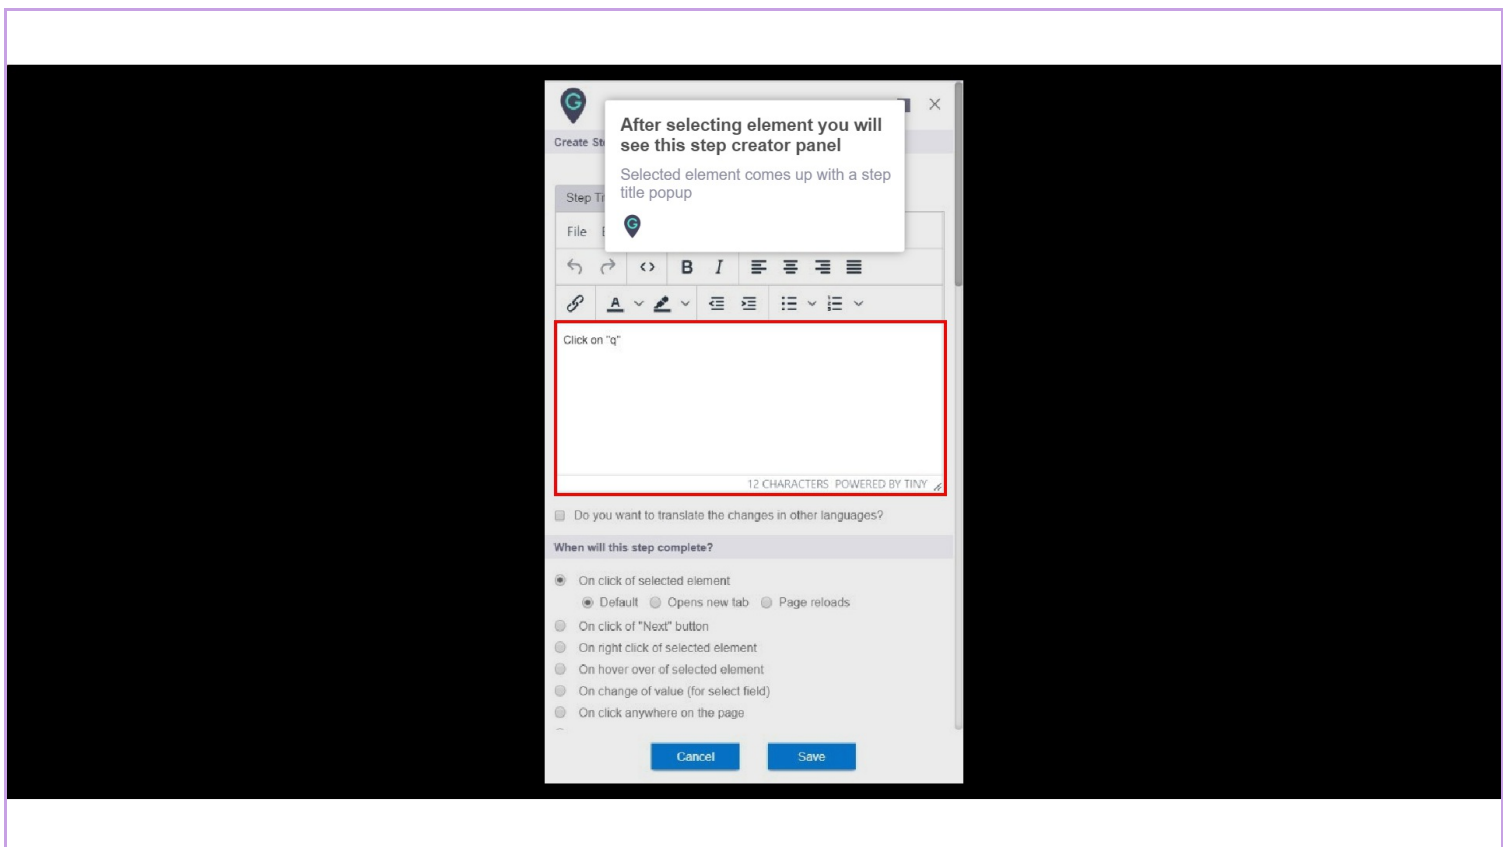

The screenshot displays the myGuide interface during the creation of a step. On the left, the 'Create Step' dialog box is open, showing a 'Step Title' field with the text 'Click on "Home (current)"'. Below this is a rich text editor with a toolbar and a character count of '25 CHARACTERS. POWERED BY TINY'. At the bottom of the dialog, there are radio buttons for 'When will this step complete?' with options: 'On click of selected element' (selected), 'Default', 'Opens new tab', 'Page reloads', 'On click of "Next" button', 'On right click of selected element', 'On hover over of selected element', 'On change of value (for select field)', 'On click anywhere on the page', and 'On click in a page, pause this guide'. Buttons for 'Cancel', 'Save & Next', and 'Save' are at the bottom.

On the right, a website header is visible. The 'Home' link is highlighted with a red box. A tooltip above it says 'Click on "Home (current)"'. Below the header, a woman is working on a laptop. A white box with the text 'Select an element' and a myGuide icon is overlaid on the image, indicating the current step's action.

Step: 05

After selecting element you will see this step creator panel

Selected element comes up with a step title popup

Step: 06

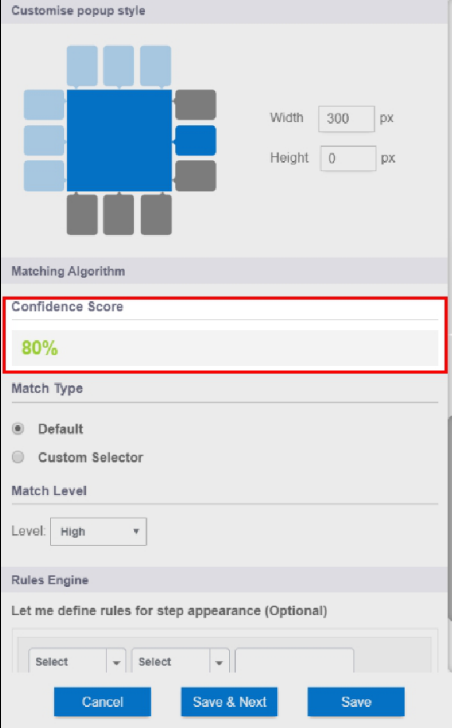

Scroll down on the page to see this "Matching Algorithm" section

The screenshot shows a configuration interface for a popup style. The 'Matching Algorithm' section is highlighted with a red box. Below it, the 'Confidence Score' is 80%, 'Match Type' is set to 'Default', and 'Match Level' is 'High'. The 'Rules Engine' section is partially visible at the bottom.

Scroll down on the page to see this "Matching Algorithm" section

Step: 07

Here you can see "Confidence Score" 1. Green color shows the high accuracy level of element
2. Red color shows the low accuracy level of element

The screenshot displays a configuration window titled "Customise popup style". It includes a visual representation of a popup layout with a central blue square and surrounding grey and blue elements. To the right, there are input fields for "Width" (300 px) and "Height" (0 px). Below this is the "Matching Algorithm" section, where the "Confidence Score" is displayed as "80%" in green text, enclosed in a red rectangular box. Further down, there are sections for "Match Type" (with radio buttons for "Default" and "Custom Selector"), "Match Level" (with a dropdown menu set to "High"), and "Rules Engine" (with a note "Let me define rules for step appearance (Optional)" and two "Select" dropdown menus). At the bottom, there are three buttons: "Cancel", "Save & Next", and "Save".

Here you can see "Confidence Score"
1. Green color shows the high accuracy level of element
2. Red color shows the low accuracy level of element

Step: 08

Here, you can change the "Match Type" of the element, using "Custom Selector"

Customise popup style

Width: 300 px
Height: 0 px

Matching Algorithm

Confidence Score

80%

Match Type

- Default
- Custom Selector

Match Level

Level: High

Rules Engine

Let me define rules for step appearance (Optional)

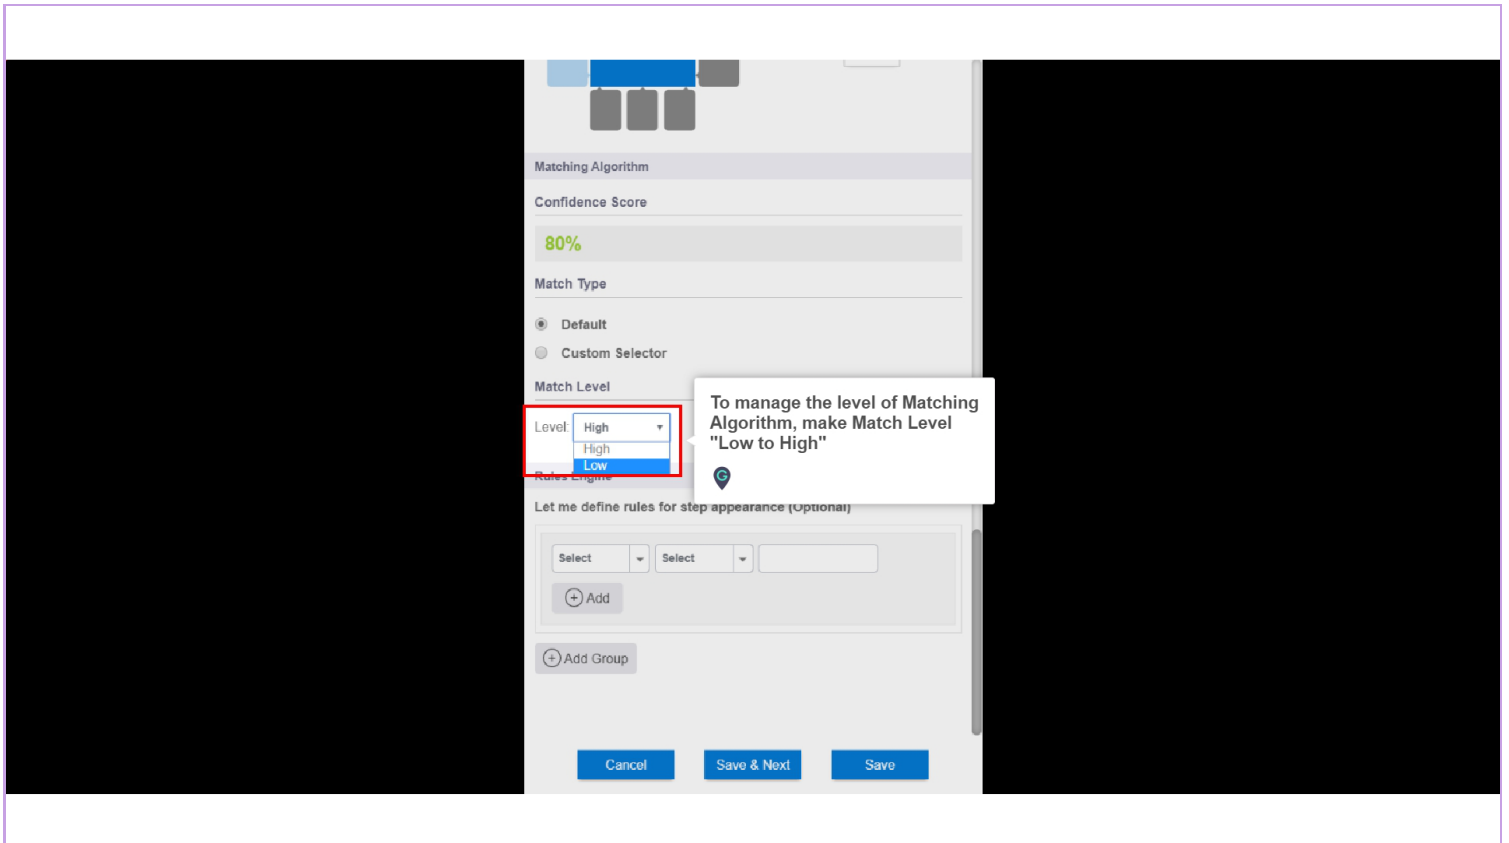

Select Select

Cancel Save & Next Save

Here, you can change the "Match Type" of the element, using "Custom Selector"

Step: 09

To manage the level of Matching Algorithm, make Match Level "Low to High"

Step: 10

Click on "Save"

The screenshot shows a configuration interface for a popup style. The panel is titled "Customise popup style" and contains several sections:

- Customise popup style:** A visual representation of a popup with a central blue square and surrounding grey squares. To the right, there are input fields for "Width" (300 px) and "Height" (0 px).
- Matching Algorithm:** A section with a "Confidence Score" of 80% (displayed in green).
- Match Type:** Two radio button options: "Default" (selected) and "Custom Selector".
- Match Level:** A dropdown menu currently set to "High".
- Rules Engine:** A section titled "Let me define rules for step appearance (Optional)" with two "Select" dropdown menus.

At the bottom of the panel are three buttons: "Cancel", "Save & Next", and "Save". The "Save" button is highlighted with a red border. A white callout box with a location pin icon and the text "Click on 'Save'" points to the "Save" button.

Thank You!
