Step: 01

Log into the Super Admin panel using the dedicated credentials

Go to the organization from here in which you want to customize language section

Step: 02

Click the "Admin Settings" tab

The screenshot displays the MyGuide by EdCast interface. The top navigation bar includes the logo, a 'DOWNLOAD' link, and a user profile icon. A dark sidebar on the left contains navigation options: Home, Organizations, Applications, Users, and Domains. The main content area shows the breadcrumb 'Home > Organization > MyGuide Library' and the title 'Organization Details'. Below this, the 'MyGuide Library' section features a description, statistics (Total Applications: 16, Total Users: 278, Total Roles: 7, Total Domains: 1), and dates (Creation Date: 26 June 2019, Modification Date: 16 March 2020). A horizontal menu at the bottom of this section contains several tabs, with 'Admin Settings' highlighted in red. A white callout box with a blue location pin icon and the text 'Click the "Admin Settings" tab' is positioned over the 'Admin Settings' tab. The footer contains copyright information and a support email address.

Step: 03

Ensure that "Guide Translation" option is enabled for your Organization

The screenshot displays the 'Admin Settings' page in the myGuide interface. The page title is 'Admin Settings' and the breadcrumb trail is 'Home > Organization : MyGuide Library > Admin settings'. A list of settings is shown, each with an 'Enable' or 'Disable' radio button. The 'Guide translation' option is highlighted with a red box, and its 'Enable' radio button is selected. A callout box points to this option with the text: 'Ensure that "Guide Translation" option is enabled for your Organization'. Other settings include DoItForMe, MyChat, My Training, TeachMe, Onboarding Guides, App switcher, Show Beacon Guides on Current Page, Guide Segmentation, All Guides, Current Page, MyIntel, CDN Player, Tooltip Enhancements, User Information Tracking, and SSO.

Step: 04

As soon as the Guide Translation option is enabled, you will see the Language section.
Click the dropdown for Default Language

The screenshot displays the myGuide by edcast settings interface. On the left is a navigation sidebar with options: Home, Organizations, Applications, Users, and Domains. The main content area is titled 'myGuide by edcast' and includes a 'DOWNLOAD' button and a user profile icon. The settings are organized into sections: 'Media File Creation' (Enable/Disable), 'Youtube Setting' (Enable/Disable), 'Enable Org and Guides JSON caching' (Enable/Disable), and 'Allow on premise deployment' (Enable/Disable). Below these are input fields for 'Max Guide Limit', 'Max Guide Publish Limit', 'Max Application Limit', and 'Max Step Limit'. The 'Language Translation Rules' section is highlighted, containing a note: 'Language translation is available only when English (any variant) is selected as the default language. If the default language is edited, previously selected language options in "Choose Language" will be hidden.' A red box highlights the 'Default Language' dropdown menu, which is currently set to 'English (United States)'. Below this is a 'Choose Language' table with columns for language name, status, and actions. At the bottom right are 'Update', 'Discard Changes', and 'Back' buttons. A callout box with a location pin icon contains the text: 'As soon as the Guide Translation option is enabled, you will see the Language section. Click the dropdown for Default Language'.
