

ShowMe

Step: 01

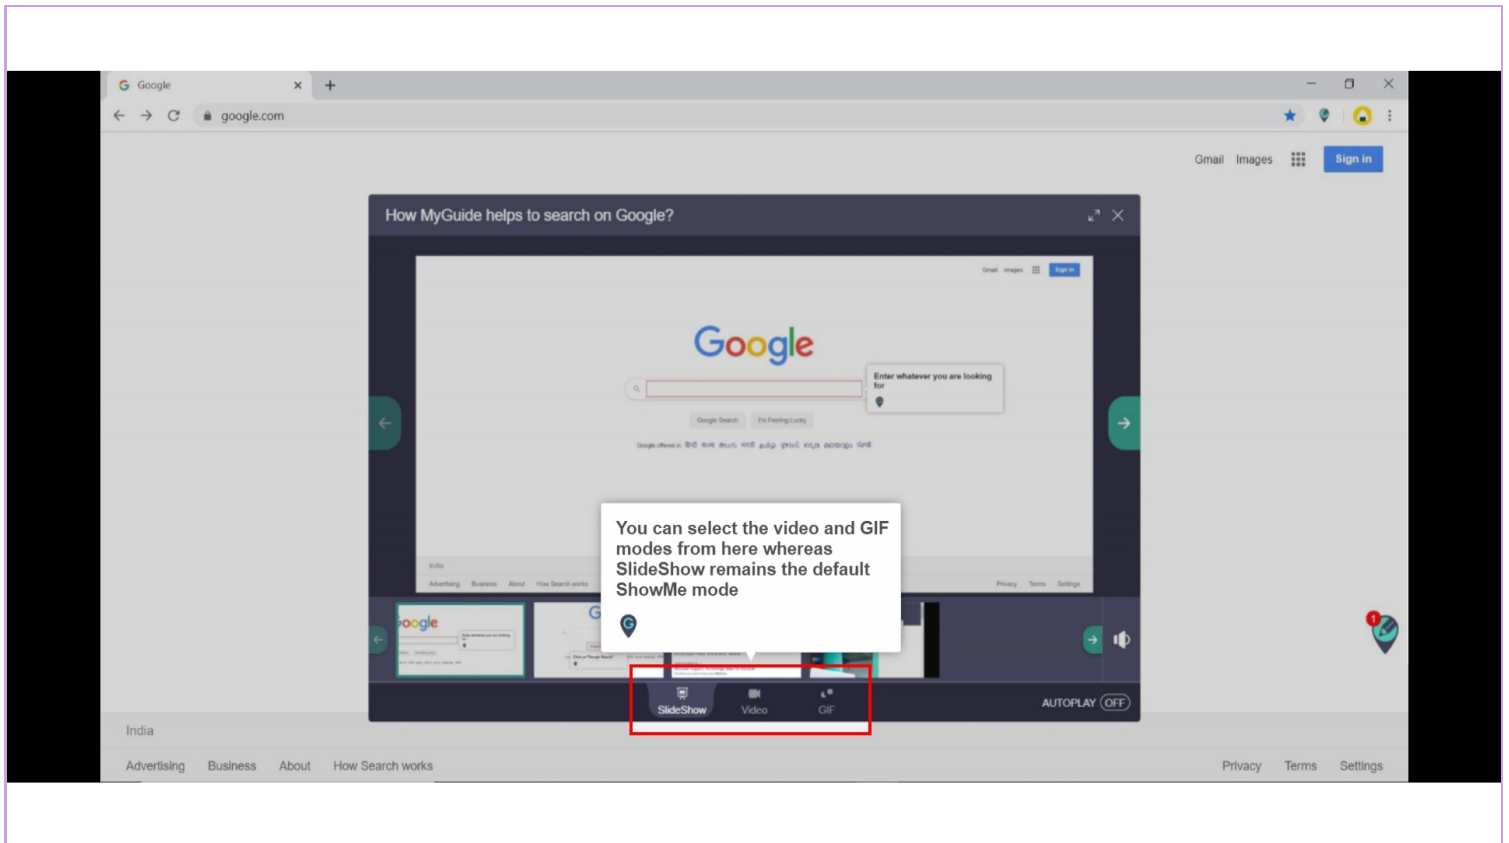

Click on "ShowMe"

It will show you how to perform a task via a slideshow

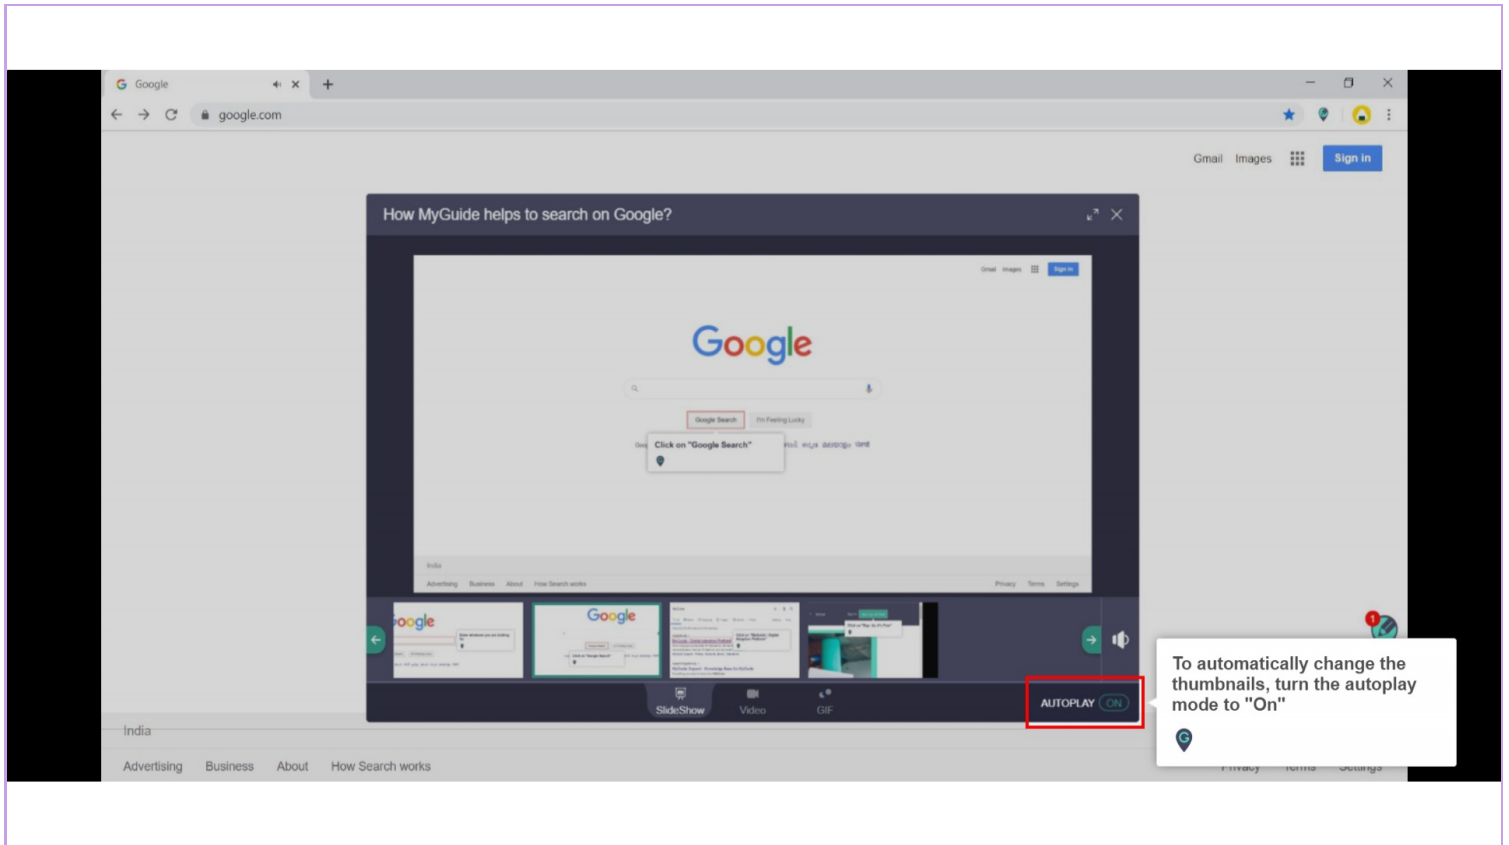

Step: 02

You can select the video and GIF modes from here whereas SlideShow remains the default ShowMe mode

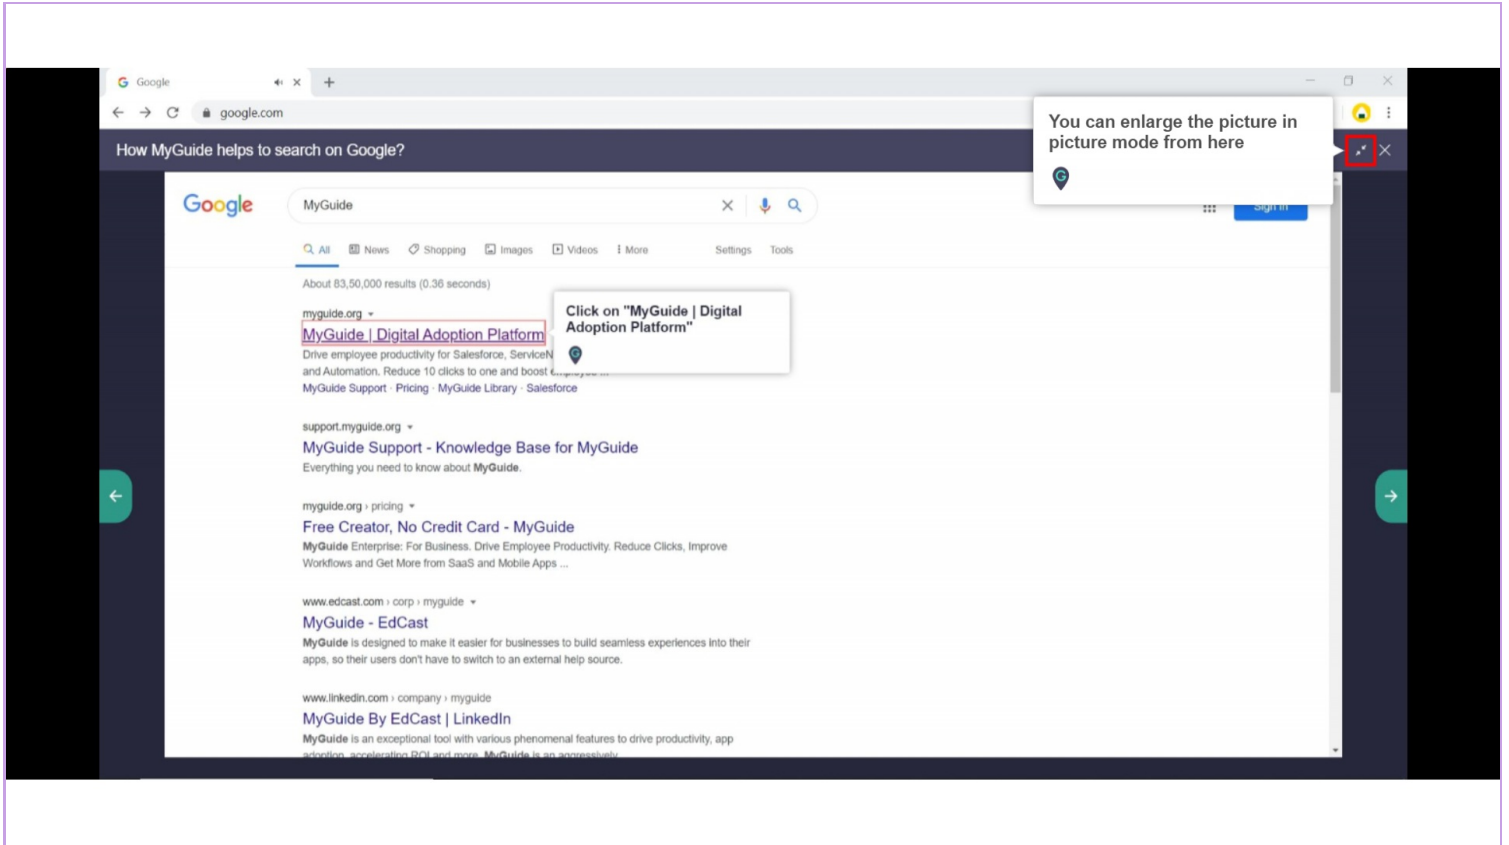

Step: 03

To automatically change the thumbnails, turn the autoplay mode to "On"

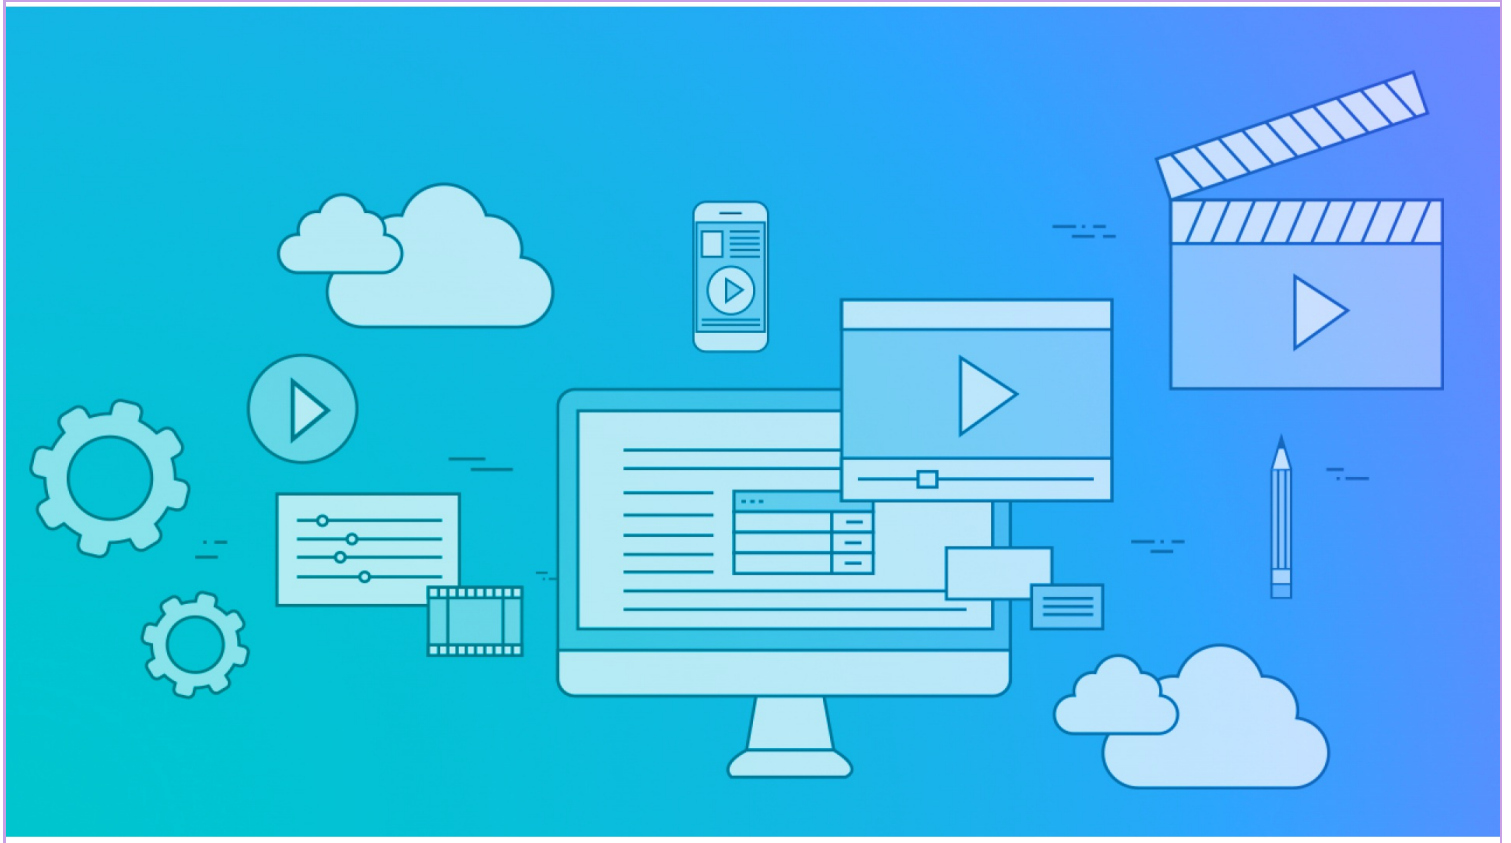

Step: 04

You can enlarge the picture in picture mode from here

Step: 05

How does ShowMe work

Thank You!
