If you login via this link, you have to enter your admin credentials, select captcha and then log into the insights portal.

## Step: 03

### Go to "Tooltips" section

## Step: 04

Click this app switcher icon

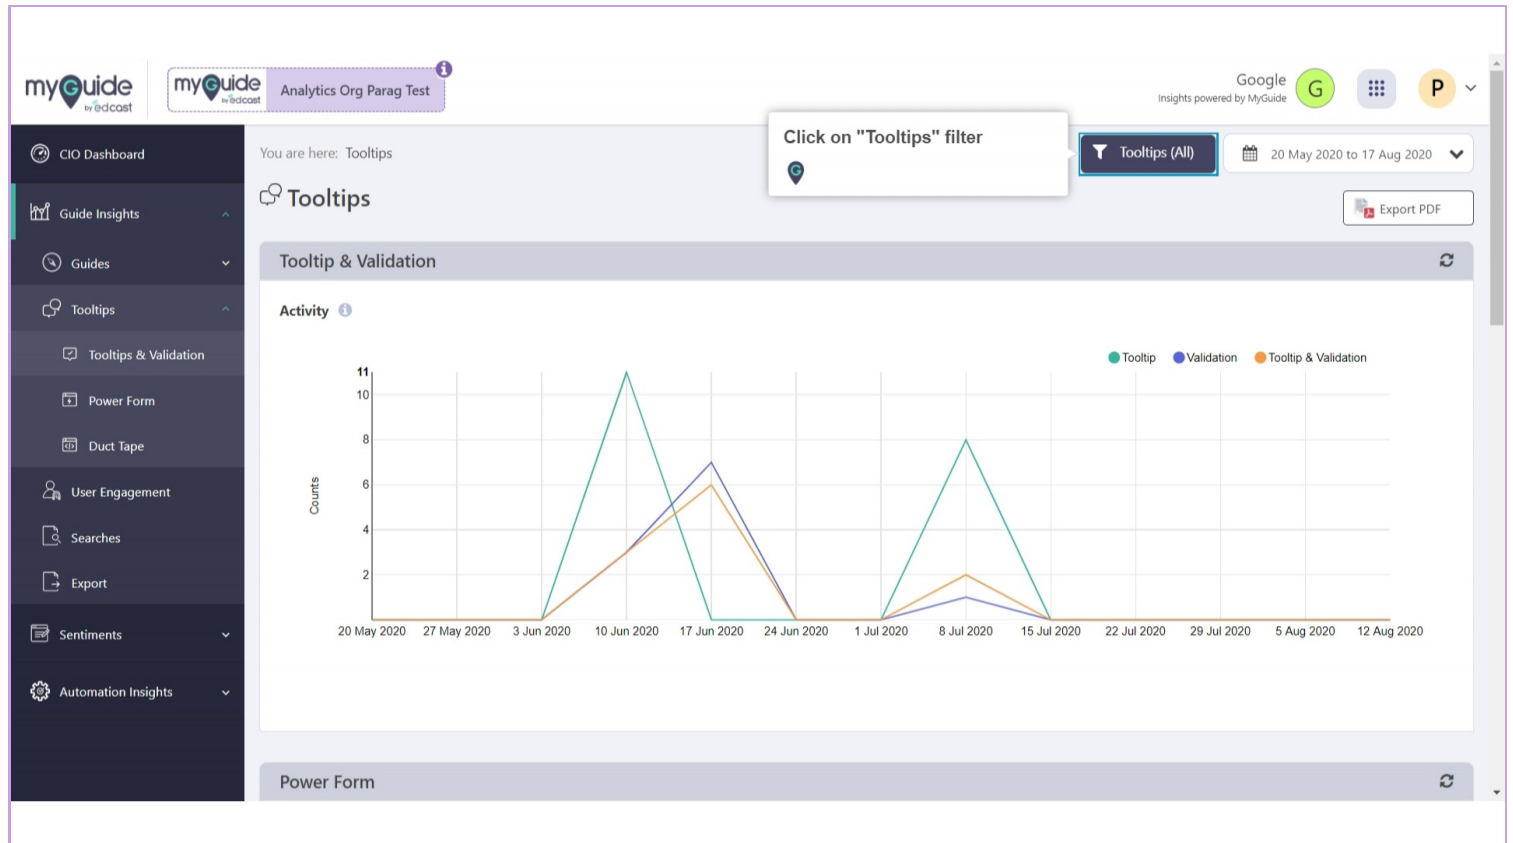

## Step: 05

You can select any application from here to check the insights

The screenshot displays the myGuide by edcast Analytics Org. interface. A modal window titled "App List" is open, showing a grid of application cards. The cards include "Home", "Google", "Twitter", "Instagram", "Intelligence app", and "Automated App". Each card has a circular icon and a brief description. A search bar is located at the top right of the modal. Below the grid, it states "Total Apps: 13". In the background, the main dashboard is visible, featuring a "Guides" section with an "Activity" graph, a "Completion Ratio" gauge showing 50%, and a "Played Versus Completed" section with counts of 690 Played and 347 Completed. A tooltip on the right side of the dashboard reads: "You can select any application from here to check the insights".

## Step: 06

Click on "Tooltips" filter

## Step: 07

### Select tooltips from this list and click "Apply"

You will see the insights for the selected tooltips

The screenshot displays the myGuide by edcast interface. A 'Tooltip List' dialog box is open, showing a list of tooltips with checkboxes. The list includes:

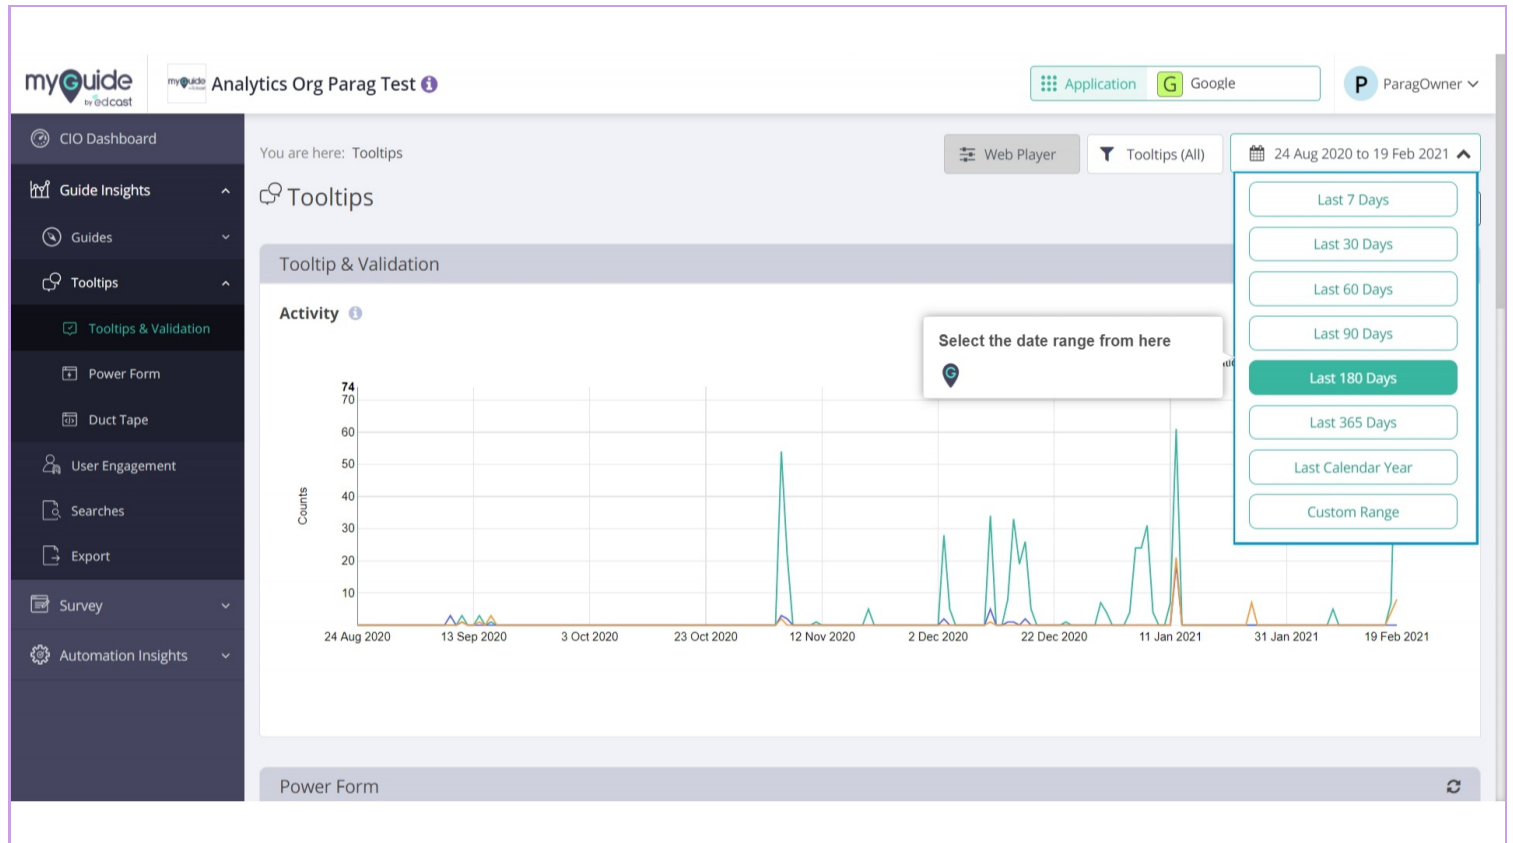

- tooltip for text change issue
- tooltip on paytm
- tooltip on salesforce
- tooltip on salesforce
- tooltip on SFDC

Each item has a green checkmark in the right column. At the bottom of the dialog are 'Apply' and 'Clear All' buttons. In the background, a line chart titled 'Activity' is visible, showing counts over time from May 2020 to August 2020. A callout box on the right side of the chart contains the text: 'Select tooltips from this list and click "Apply"'. Below this text, it says 'You will see the insights for the selected tooltips'.

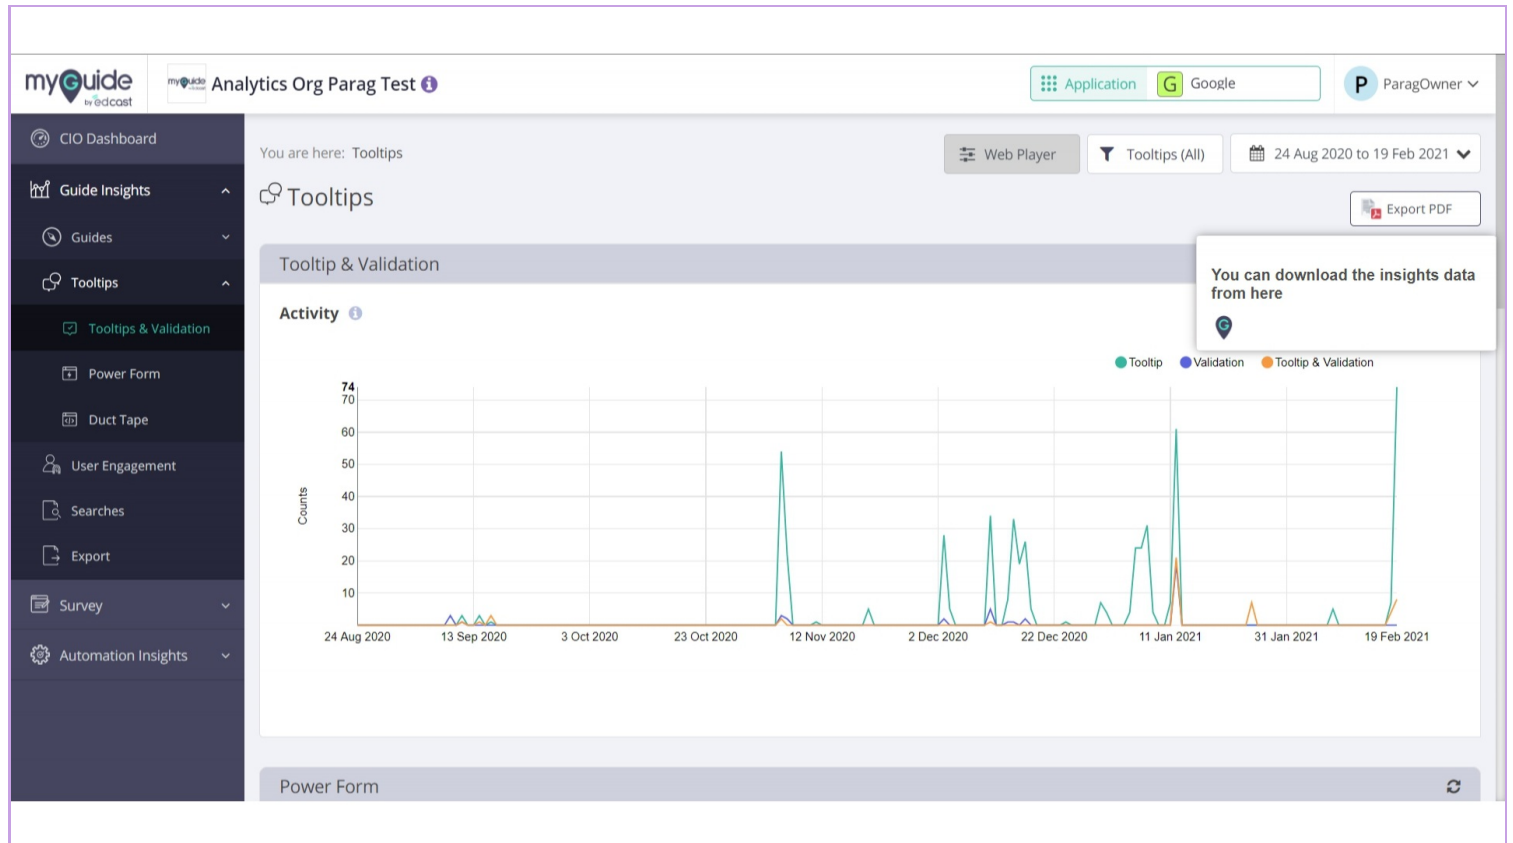

## Step: 08

Select the date range from here

## Step: 09

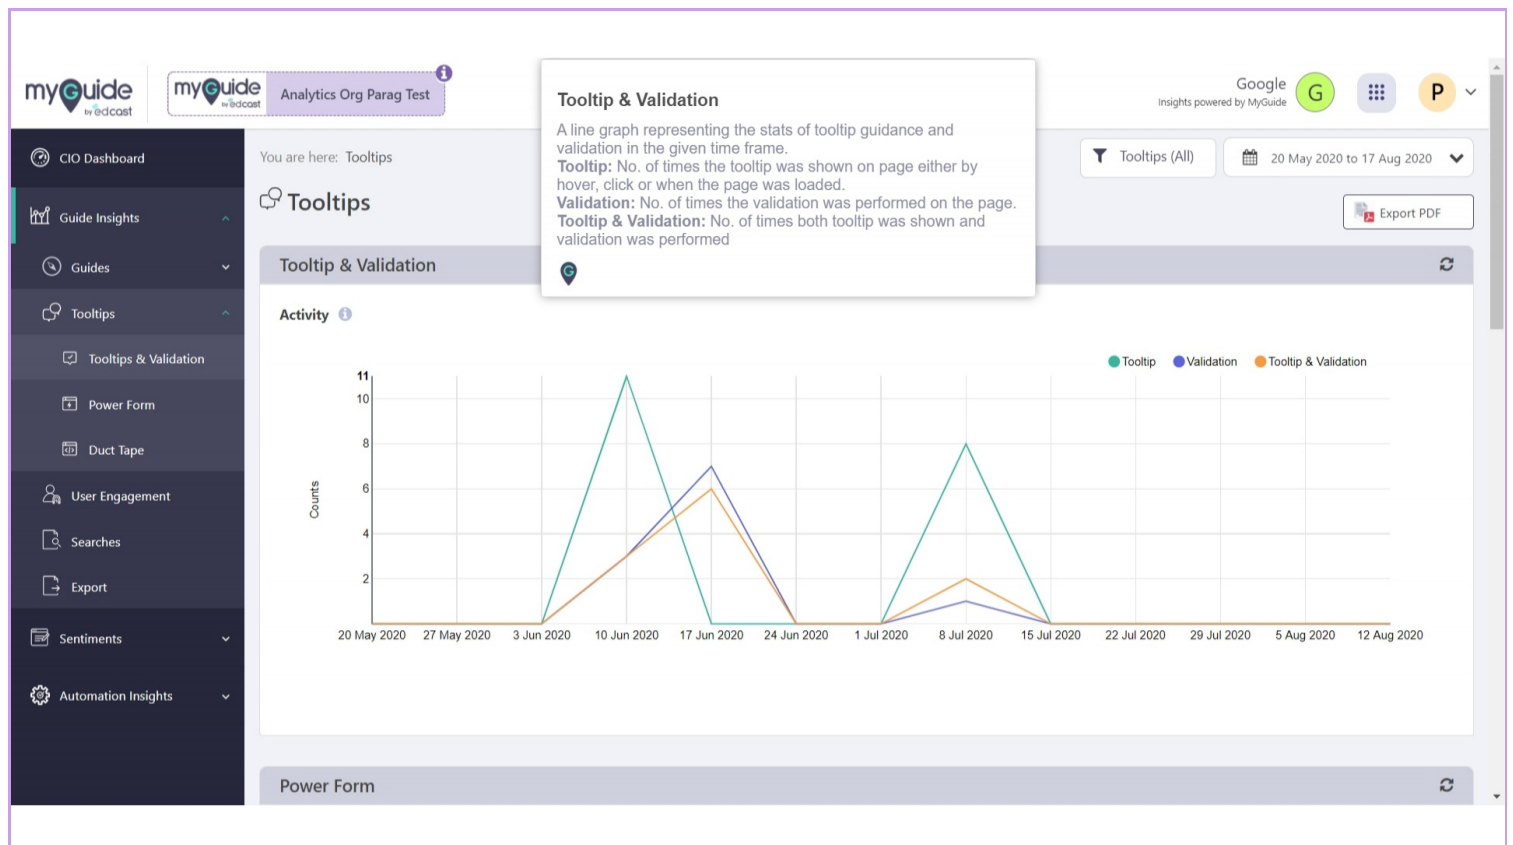

You can download the insights data from here

## Step: 10

# Tooltip & Validation

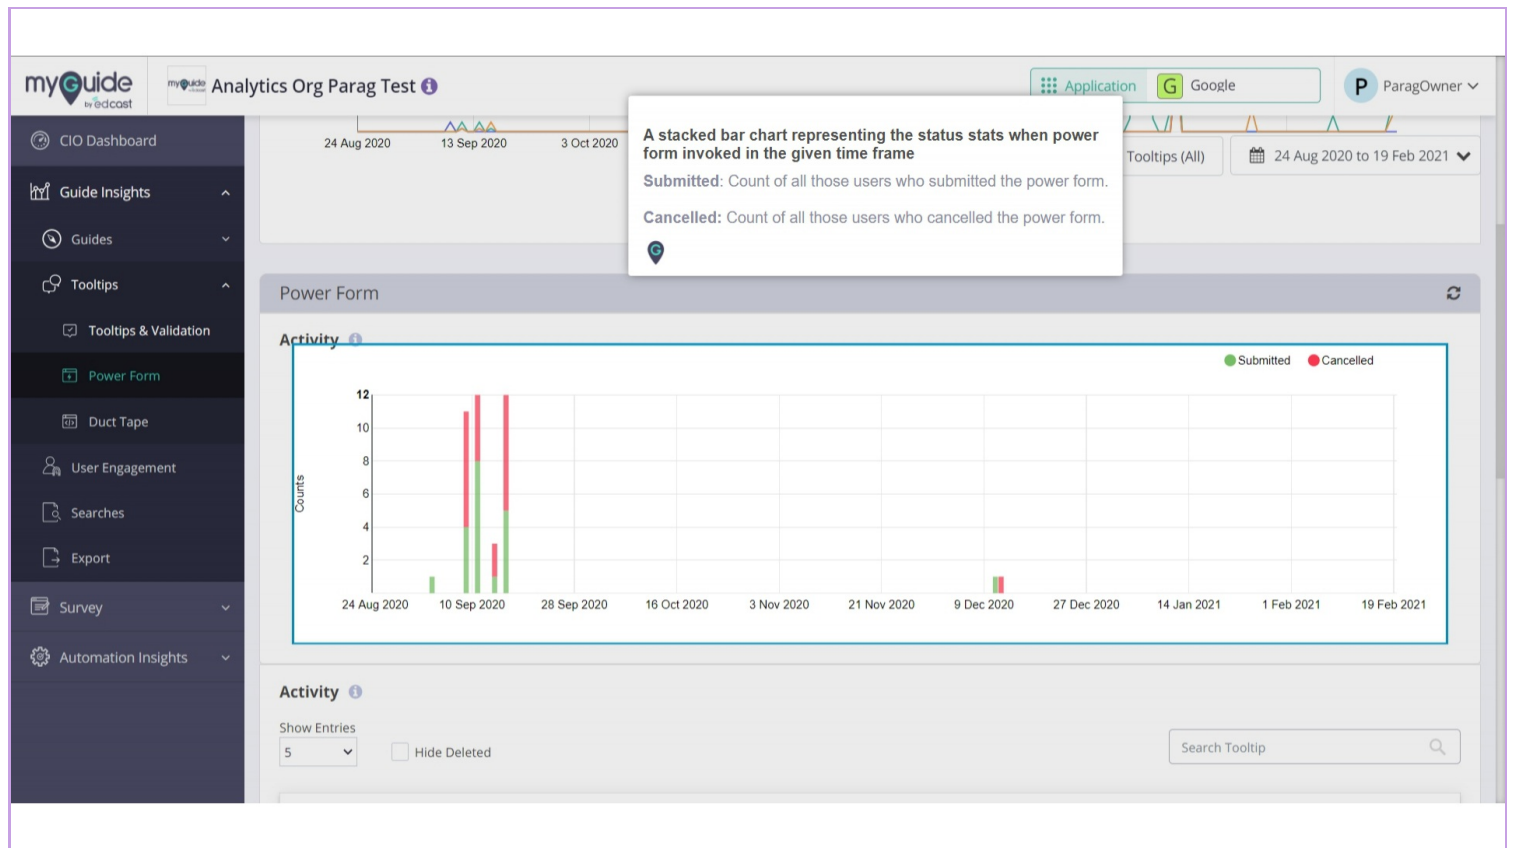

A line graph representing the stats of tooltip guidance and validation in the given time frame. **Tooltip:** No. of times the tooltip was shown on page either by hover, click or when the page was loaded. **Validation:** No. of times the validation was performed on the page. **Tooltip & Validation:** No. of times both tooltip was shown and validation was performed

## Step: 11

A stacked bar chart representing the status stats when power form invoked in the given time frame

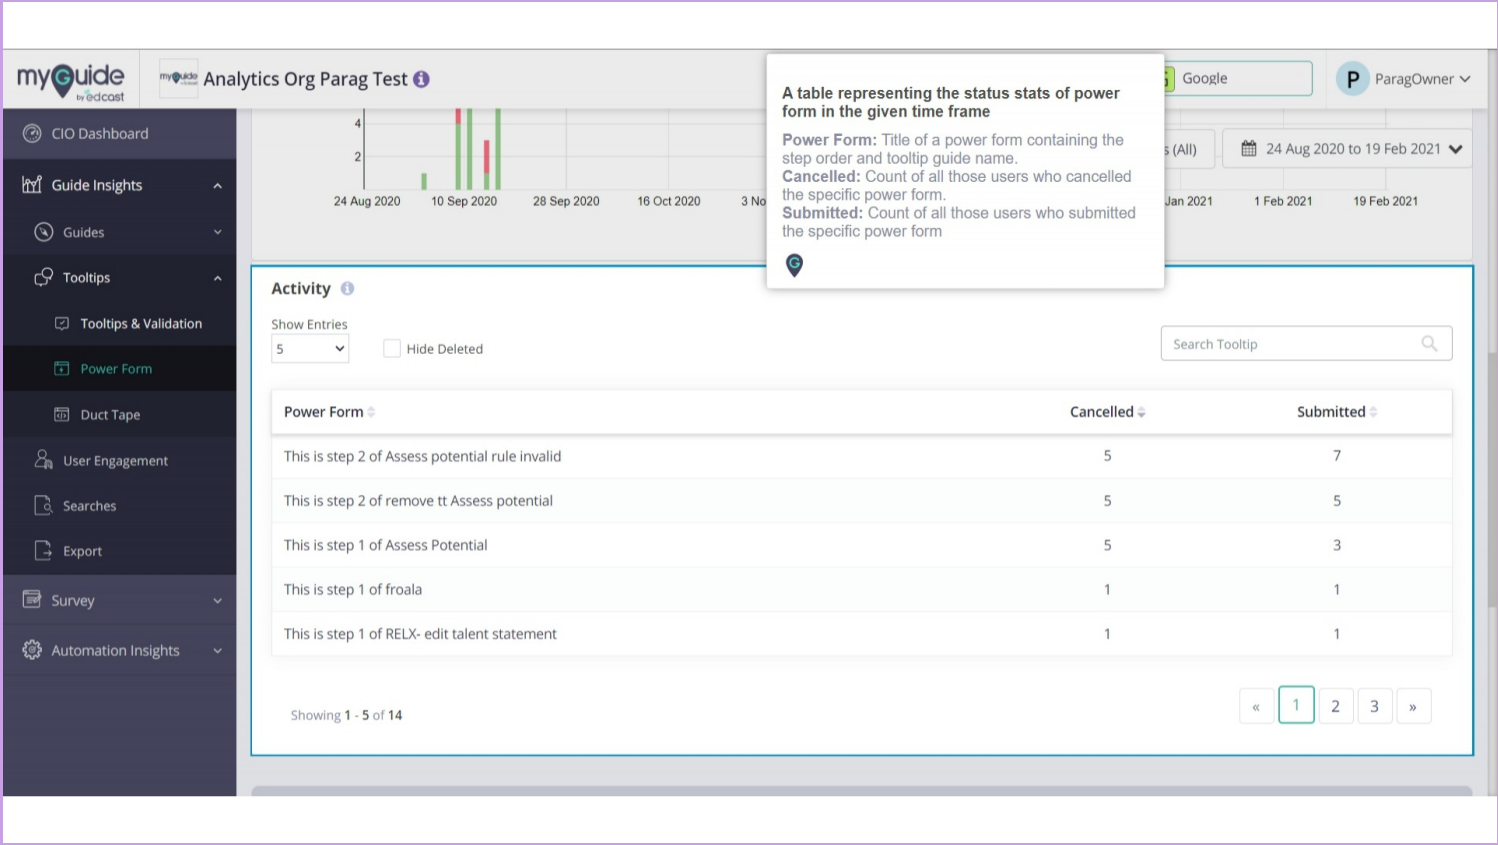

Submitted: Count of all those users who submitted the power form. Cancelled: Count of all those users who cancelled the power form.

Step: 12

A table representing the status stats of power form in the given time frame

Power Form: Title of a power form containing the step order and tooltip guide name.  
Cancelled: Count of all those users who cancelled the specific power form. Submitted: Count of all those users who submitted the specific power form

## Step: 13

Select this checkbox if you want to hide the deleted ones

The screenshot displays the myGuide Analytics Org Parag Test dashboard. The top navigation bar includes the myGuide logo, the organization name 'Analytics Org Parag Test', and user information 'ParagOwner'. The left sidebar lists various modules: CIO Dashboard, Guide Insights, Guides, Tooltips, Tooltips & Validation, Power Form, Duct Tape, User Engagement, Searches, Export, Survey, and Automation Insights. The main content area features a bar chart at the top, a 'Web Player' button, and a 'Tooltips (All)' filter. Below the chart is an 'Activity' section with a 'Show Entries' dropdown set to 5 and a 'Hide Deleted' checkbox. A tooltip points to the 'Hide Deleted' checkbox with the text: 'Select this checkbox if you want to hide the deleted ones'. The 'Power Form' table lists five entries with their respective 'Cancelled' and 'Submitted' counts.

Power Form	Cancelled	Submitted
This is step 2 of Assess potential rule invalid	5	7
This is step 2 of remove tt Assess potential	5	5
This is step 1 of Assess Potential	5	3
This is step 1 of froala	1	1
This is step 1 of RELX- edit talent statement	1	1

Showing 1 - 5 of 14

## Step: 14

A graph representing the stats of digital duct tape in the given time frame

No. of times the digital duct tape was displayed on the page
