

How to add an application in OneLogin

Step: 01

Welcome

In this guide, we will learn to add an application in OneLogin

Step: 02

Click on "Administration"

Step: 03

Hover over Applications

Step: 04

Click on "Applications"

Step: 05

Click on "Add App"

The screenshot shows the OneLogin web interface. At the top, there is a navigation bar with the OneLogin logo and menu items: Users, Applications (highlighted), Devices, Authentication, Activity, Security, Settings, and Developers. On the right side of the navigation bar, there is a 'Buy' link and a user profile for 'Aish'. Below the navigation bar, the main heading is 'Applications'. To the right of this heading is a callout box with the text 'Click on "Add App"' and a red dot pointing to a blue 'Add App' button. Below the heading is a search bar with the placeholder text 'search company apps...'. Underneath the search bar is a message: 'No company apps have been added.' In the bottom right corner of the main content area, there is a small help icon.

Step: 06

Look for apps from here

Select a category

The screenshot displays the OneLogin 'Find Applications' interface. At the top, there is a navigation bar with the OneLogin logo and menu items: Users, Applications (highlighted), Devices, Authentication, Activity, Security, Settings, Developers, Buy, and a user profile for 'Aish'. Below the navigation bar is a search bar labeled 'Find Applications' with a search icon and the text 'search...'. The main content area is a grid of application categories, each with a count in parentheses. A tooltip is overlaid on the grid, pointing to the 'Publishing (26)' category. The tooltip contains the text 'Look for apps from here' and 'Select a category' with a location pin icon. The 'Publishing (26)' category is highlighted in blue.

Step: 07

Select an app

The screenshot shows the OneLogin 'Find Applications' page. The navigation bar includes 'Users', 'Applications', 'Devices', 'Authentication', 'Activity', 'Security', 'Settings', and 'Developers'. A user profile for 'Aish' is visible in the top right. A search bar is present with the text 'search...'. A tooltip with the text 'Select an app' and a location pin icon is positioned over the search bar. Below the search bar, a list of applications is displayed, each with an icon, name, provider, and authentication type.

Application Name	Provider	Authentication Type
Acrobat	Adobe Systems Inc	Form-based auth , browser extension
Admeld	Admeld	Form-based auth , browser extension
Adobe Admin Console	Adobe Systems Inc	Form-based auth , browser extension
Book Oven	Book Oven	Form-based auth
ByDesign Publishing	ByDesign Print	Form-based auth , browser extension
Coverage Book	Coveragebook	Form-based auth , browser extension
Docstoc	Docstoc	Form-based auth , browser extension

Step: 08

You can add description here

The screenshot displays the OneLogin configuration interface for adding an application. The top navigation bar includes 'onelogin', 'Users', 'Applications', 'Devices', 'Authentication', 'Activity', 'Security', 'Settings', 'Developers', 'Buy', and a user profile for 'Aish'. The main heading is 'App Listing / Add Harvard Business Review', with 'Cancel' and 'Save' buttons. The 'Configuration' section is active, showing two icon options: 'Rectangular Icon' and 'Square Icon', both featuring the 'HBR' logo. Below each icon is an information icon and instructions: 'Upload an icon with an aspect-ratio of 2.64:1 as either a transparent .PNG or .SVG' for the rectangular icon, and 'Upload a square icon at least 512x512px as either a transparent .PNG or .SVG' for the square icon. A 'Description' field is located below the icons, with a '200 characters' limit and a placeholder text box that says 'You can add description here'.

Step: 09

Click on "Save"

The screenshot displays the OneLogin configuration interface for adding an application. The top navigation bar includes 'onelogin', 'Users', 'Applications', 'Devices', 'Authentication', 'Activity', 'Security', 'Settings', 'Developers', 'Buy', and a user profile for 'Aish'. The main heading is 'App Listing / Add Harvard Business Review'. On the right, there are 'Cancel' and 'Save' buttons. A tooltip with a location pin icon points to the 'Save' button, containing the text 'Click on "Save"'. The configuration area is divided into two sections: 'Rectangular Icon' and 'Square Icon'. Each section shows a preview of the 'HBR' logo and an information icon. Below the 'Rectangular Icon' preview, the text reads: 'Upload an icon with an aspect-ratio of 2.64:1 as either a transparent .PNG or .SVG'. Below the 'Square Icon' preview, the text reads: 'Upload a square icon at least 512x512px as either a transparent .PNG or .SVG'. Below these sections is a 'Description' field with a 200-character limit. A 'Configuration' sidebar is visible on the left, and a help icon is in the bottom right corner.

Step: 10

The app was added successfully!

The screenshot displays the OneLogin console interface. At the top, a navigation bar includes the OneLogin logo and menu items: Users, Applications, Devices, Authentication, Activity, Security, Settings, and Developers. A user profile for 'Aish' is visible in the top right. A blue notification banner at the top of the main content area reads 'Harvard Business Review was successfully added.' with a close button (X).

The main content area is titled 'Portal' and contains the following configuration options:

- Display Name:** Harvard Business Review
- Tab:** MyGuide
- Visible in portal:** A green toggle switch is turned on.
- Rectangular Icon:** A placeholder image showing a red square with 'HBR' on a checkered background. Below it, a tooltip reads: 'Upload an icon with an aspect-ratio of 2.64:1 as either a transparent .PNG or .SVG'.
- Square Icon:** A placeholder image showing a solid red square with 'HBR'. Below it, a tooltip reads: 'Upload a square icon at least 512x512px as either a transparent .PNG or .SVG'.
- Description:** A text input field is present but empty.

A central notification box with a location pin icon states 'The app was added successfully!'. A small tooltip with a location pin icon is also visible on the right side of the page.

Thank You!
