

How to add Bank Account Details on Stripe

# Step: 01

## Welcome!

In this Guide, we will learn how to add Bank Account Details on Stripe

The screenshot displays the Stripe dashboard interface. On the left is a navigation sidebar with options like Home, Payments, Balance, Customers, Reports, Radar, Billing, Connect, Orders, Developers, and Settings. The main content area features a search bar, a 'Welcome!' notification, and a 'Find the right integration for your business' section with 'Start now' and 'Browse docs' buttons. Below this are links for 'Activate your Stripe account', 'Get your test API keys', and 'Get your live API keys'. A 'Today' summary card shows 'Gross volume' and 'INR Balance' both at ₹0.00, with a 'View detail' link for the balance. A bar chart is visible at the bottom of the dashboard.

## Step: 02

### Click on "Balance"

The screenshot shows the Stripe dashboard interface. On the left sidebar, the 'Balance' menu item is highlighted with a blue border. A callout box with a location pin icon points to this item, containing the text 'Click on "Balance"'. The main content area displays a welcome message for 'Aishwarya' and a list of action items: 'Activate your Stripe account', 'Get your test API keys', and 'Get your live API keys'. Below this, there is a 'Today' section with a table showing 'Gross volume' and 'INR Balance', both at ₹0.00. The 'Gross volume' table includes a 'Yesterday' column and a timestamp '11:57 AM'. The 'INR Balance' section shows 'Estimated future payouts' and a 'Payouts' section below it.

Today	
Gross volume	Yesterday
₹0.00	₹0.00
11:57 AM	

INR Balance	View detail
₹0.00	
Estimated future payouts	
Payouts	View detail
—	

# Step: 03

## Click on "Add bank account"

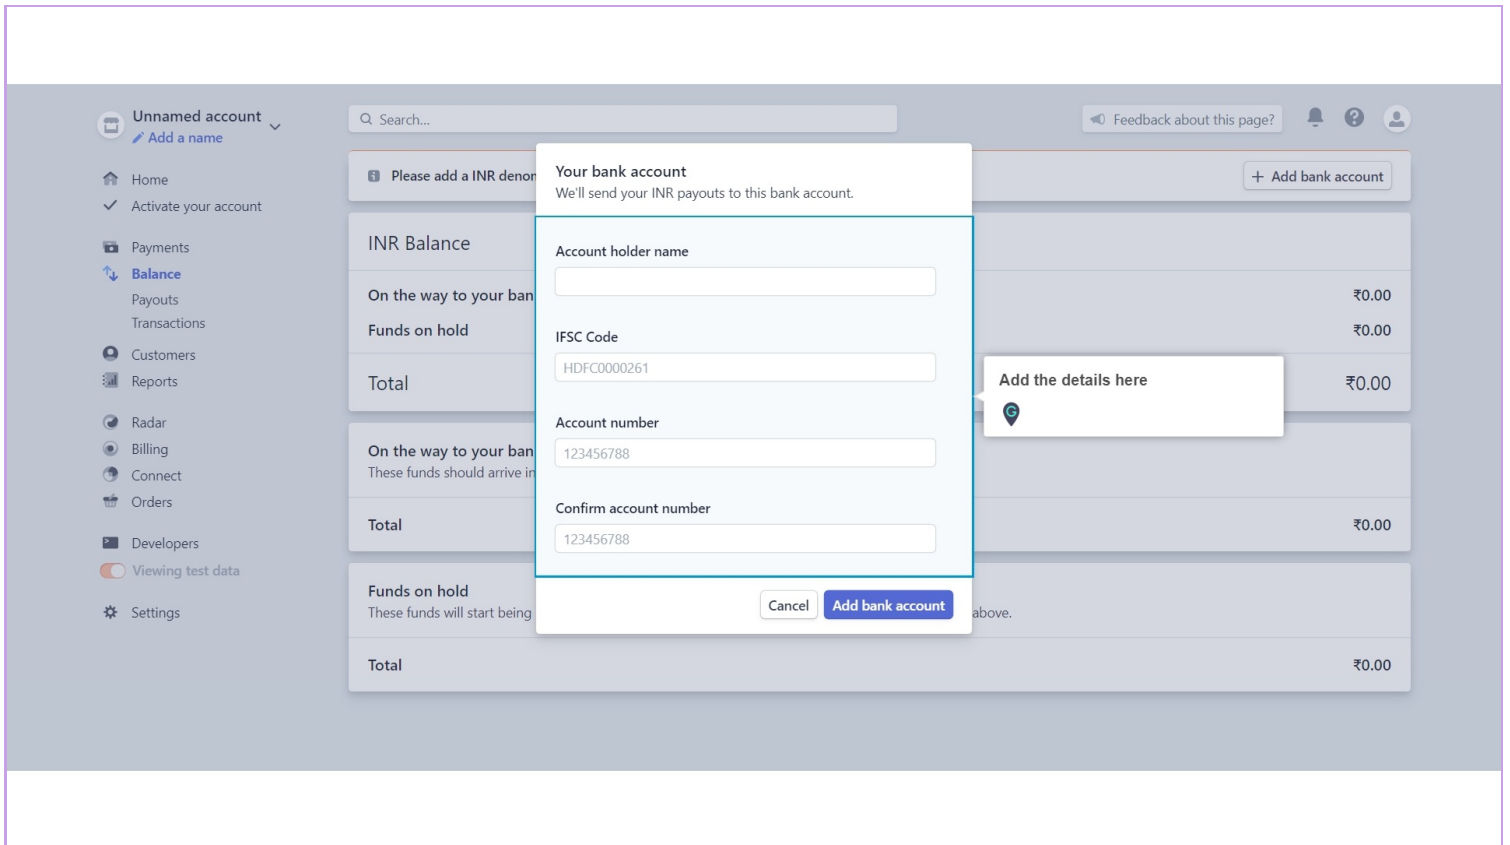

The screenshot shows a dashboard interface for an account named "Unnamed account". A message at the top states: "Please add a INR denominated bank account to pay out your INR balance." A red "TEST DATA" label is present above this message. A button labeled "+ Add bank account" is highlighted with a blue border. A callout box with a location pin icon points to this button, containing the text "Click on 'Add bank account'".

The dashboard also displays three summary cards, each with a "Total" value of ₹0.00:

- INR Balance**
  - On the way to your bank: ₹0.00
  - Funds on hold: ₹0.00
  - Total: ₹0.00
- On the way to your bank**
  - These funds should arrive in your bank account soon.
  - Total: ₹0.00
- Funds on hold**
  - These funds will start being paid out again once you have resolved the issue with your bank account above.
  - Total: ₹0.00

# Step: 04

Add the details here

## Step: 05

Click on "Add bank account" and you're done!

Your INR payouts will be sent to this bank account

The screenshot displays a user interface for adding a bank account. A modal window is open, prompting the user to provide account details. The background shows a dashboard with a sidebar menu and a main content area. The modal form contains the following fields:

- Account holder name:
- IFSC Code:
- Account number:
- Confirm account number:

Buttons at the bottom of the modal are "Cancel" and "Add bank account". A callout box highlights the "Add bank account" button with the text: "Click on 'Add bank account' and you're done! Your INR payouts will be sent to this bank account".

# Thank You!
