

How to create a new Smart Account for your company in Cisco

Step: 01

Welcome!

In this Guide, we will learn how to create a new Smart Account for your company in Cisco

Step: 02

Click on "Access Management"

The screenshot displays the Cisco Partner Self-Service portal. At the top left is the Cisco logo. At the top right, there are language options (US, EN) and a user profile for 'Hi, ashvini rawal'. Below the header is a navigation menu with icons and labels for 'Home', 'Personal', 'Security', 'Settings', and 'Access Management'. The 'Access Management' item is highlighted with a blue border, and a callout box points to it with the text 'Click on "Access Management"'. Below the navigation menu, the main content area asks 'What would you like to do next?' and lists four options, each with an icon, a title, a brief description, and a corresponding button:

- Partner Self Service**: Associate your account with a partner company or register your company as a partner. Button: [Go to Partner Self Service](#)
- Partner Order Services**: Order services through our global network of certified partners. Button: [Go to Order Services](#)
- Customer**: Associate your account with a contract number or bill-to ID. Button: [Go to Customer Portal](#)
- Direct Customer Ordering**: Manage your Account, Recieve Quotes, View Orders, Suscriptions, and Invoices. Button: [Go to CCE Portal](#)

Step: 03

Click on "Smart Accounts"
