## Step: 04

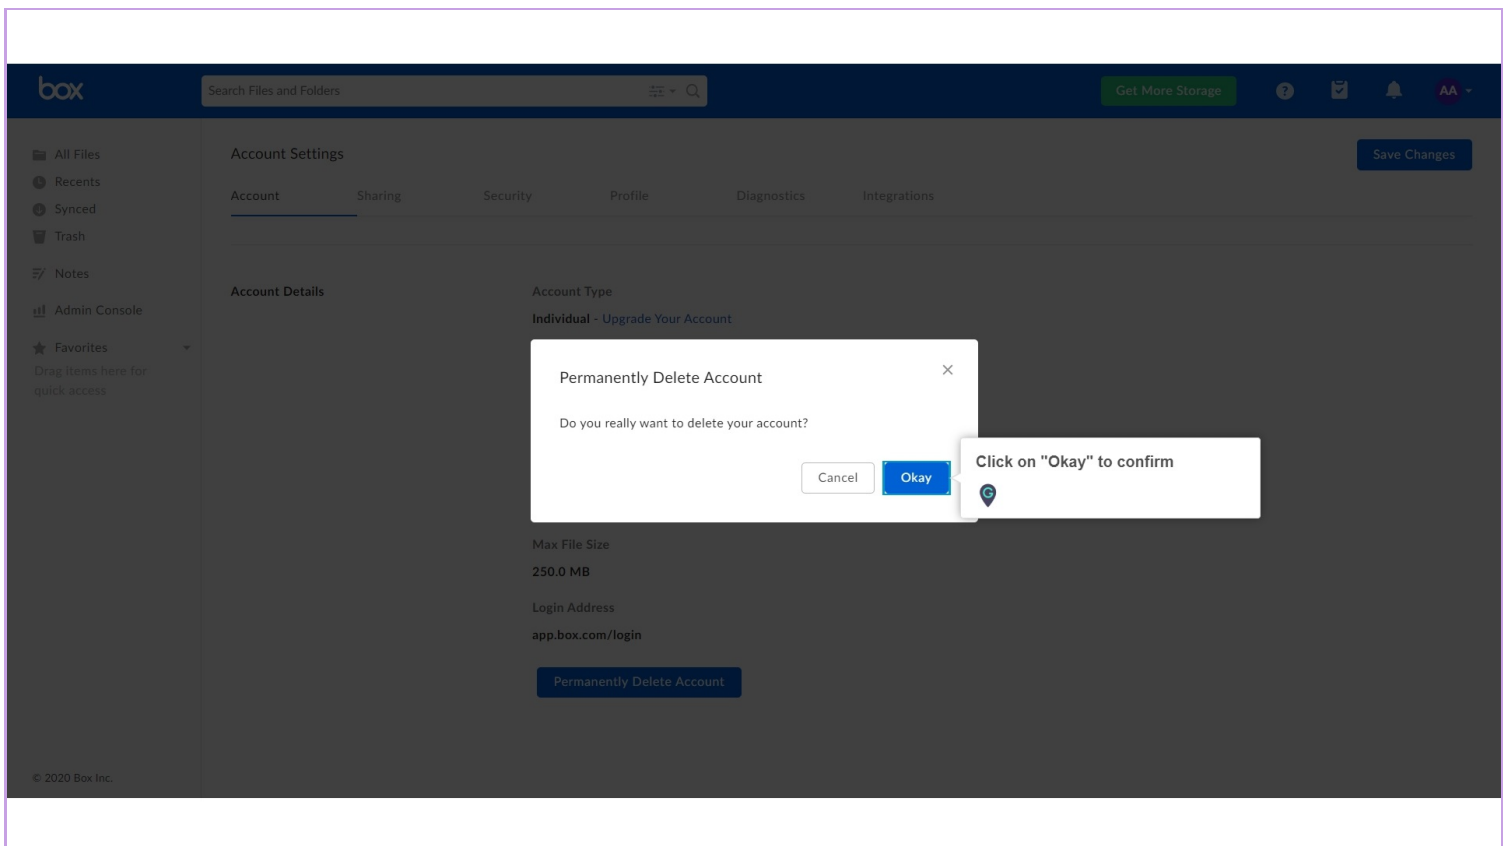

Click on "Permanently Delete Account"

The screenshot displays the Box web interface. At the top, there is a blue header with the 'box' logo, a search bar, and a 'Get More Storage' button. Below the header, the 'Account Settings' page is visible, with tabs for 'Account', 'Sharing', 'Security', 'Profile', 'Diagnostics', and 'Integrations'. The 'Account' tab is selected, showing 'Account Details' on the left and account information on the right. The account information includes: Account Type (Individual - Upgrade Your Account), Account ID (10658444028), Storage Used (28.7 MB of 10.0 GB), Bandwidth Used (0 B of 10.0 GB), and Max File Size. A callout box with a location pin icon points to a blue button labeled 'Permanently Delete Account' at the bottom of the account details section. A 'Save Changes' button is located in the top right corner of the settings area. The footer of the page shows '© 2020 Box Inc.'

## Step: 05

Click on "Okay" to confirm

The screenshot displays the Box account settings interface. The top navigation bar includes the Box logo, a search bar, and a 'Get More Storage' button. The left sidebar lists navigation options like 'All Files', 'Recents', 'Synced', 'Trash', 'Notes', 'Admin Console', and 'Favorites'. The main content area is titled 'Account Settings' and has tabs for 'Account', 'Sharing', 'Security', 'Profile', 'Diagnostics', and 'Integrations'. The 'Account' tab is active, showing 'Account Details' and 'Account Type' (Individual - Upgrade Your Account). A 'Permanently Delete Account' button is visible at the bottom of the account details section. A modal dialog box is open in the center, asking 'Do you really want to delete your account?' with 'Cancel' and 'Okay' buttons. A callout box points to the 'Okay' button with the text 'Click on "Okay" to confirm'. The footer of the page shows '© 2020 Box Inc.'
