

How to update credentials of an app in Okta

Step: 01

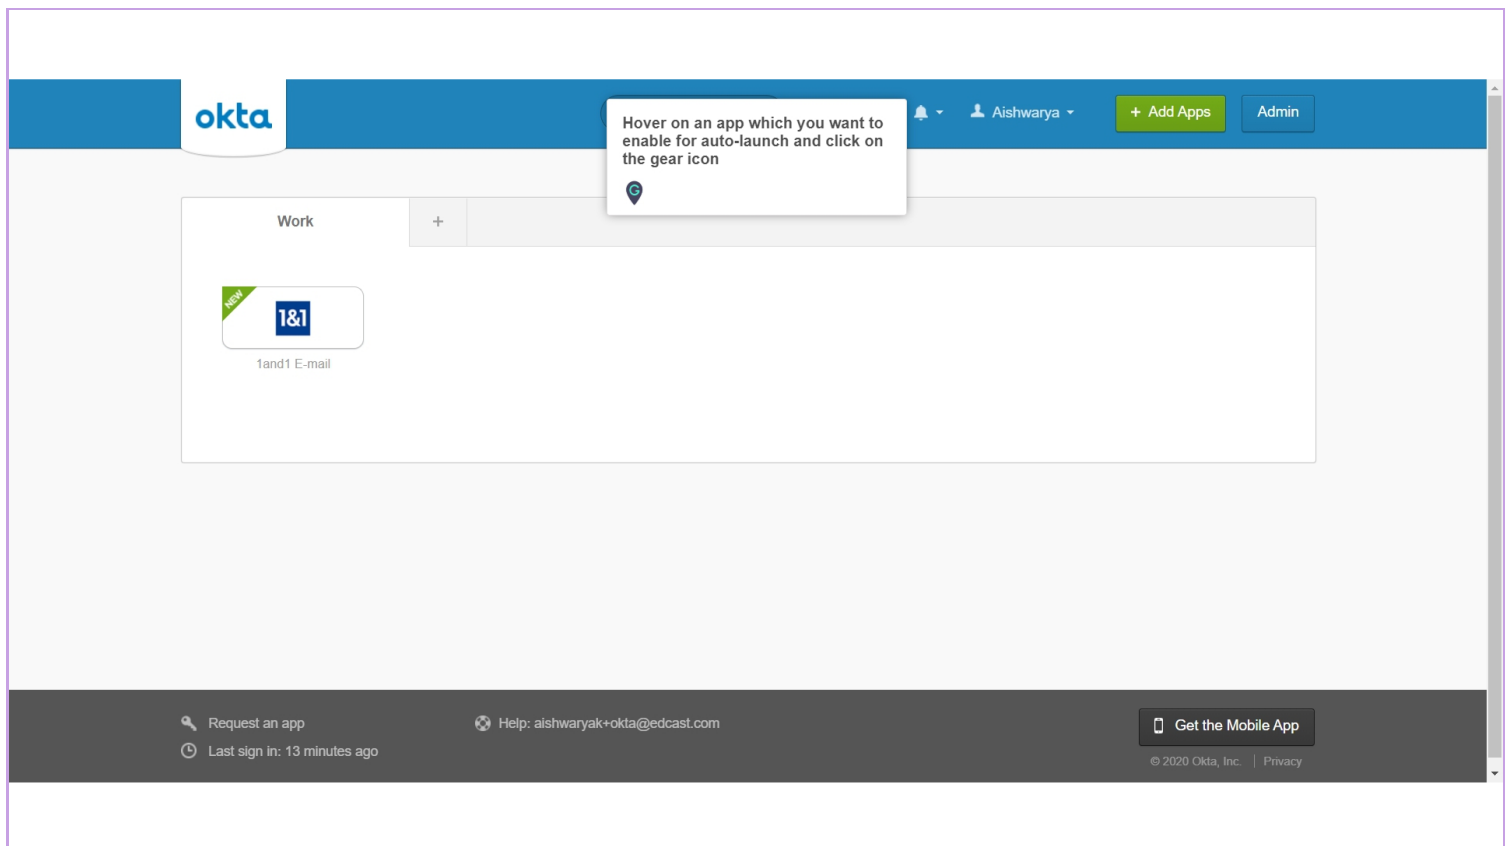

Welcome

In this guide, we will learn to update credentials of an app in Okta

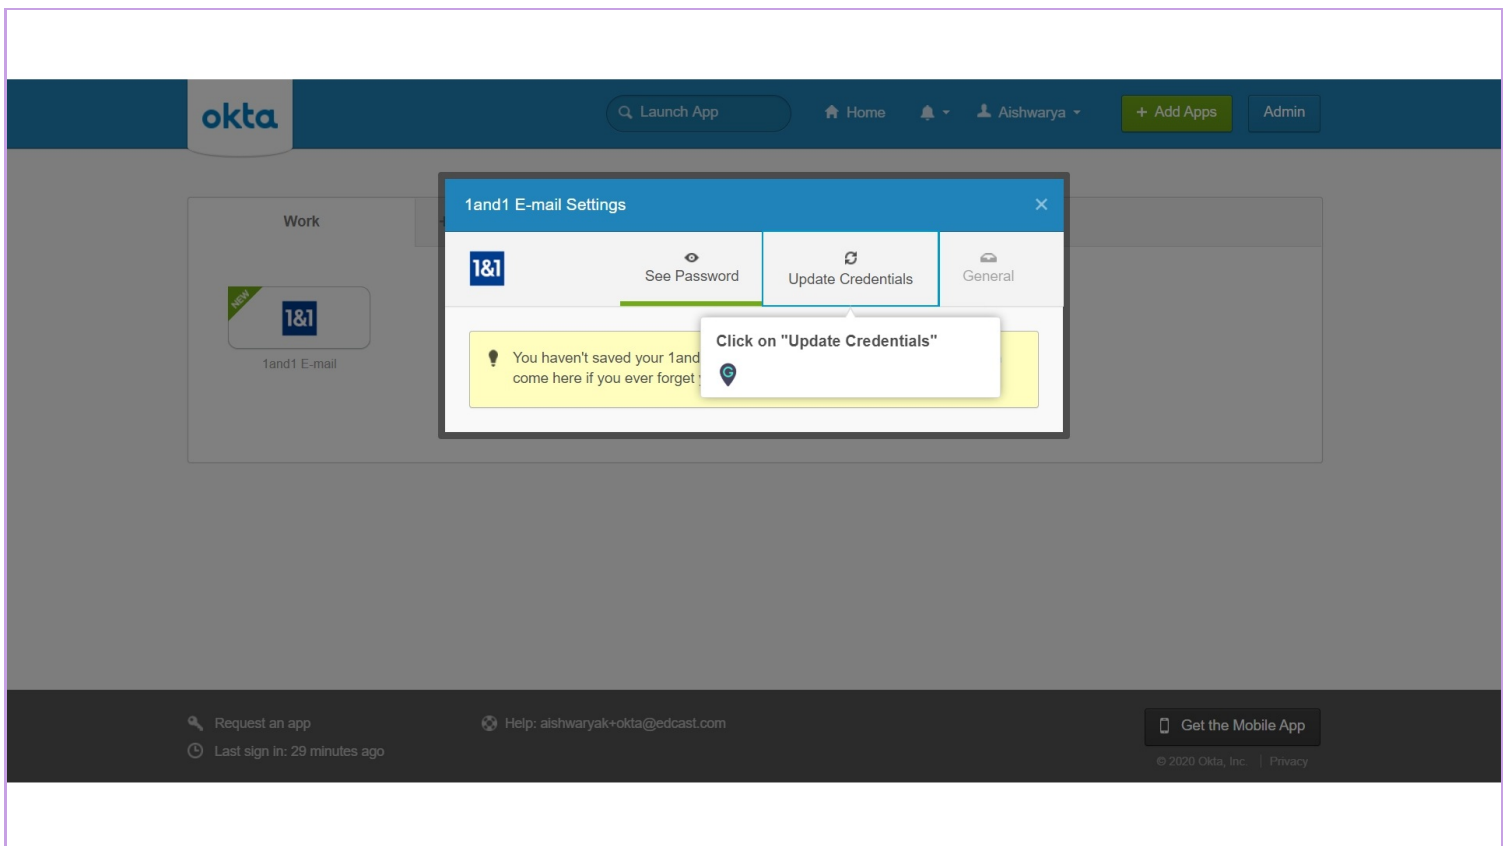

Step: 02

Hover on an app which you want to enable for auto-launch and click on the gear icon

Step: 03

Click on "Update Credentials"

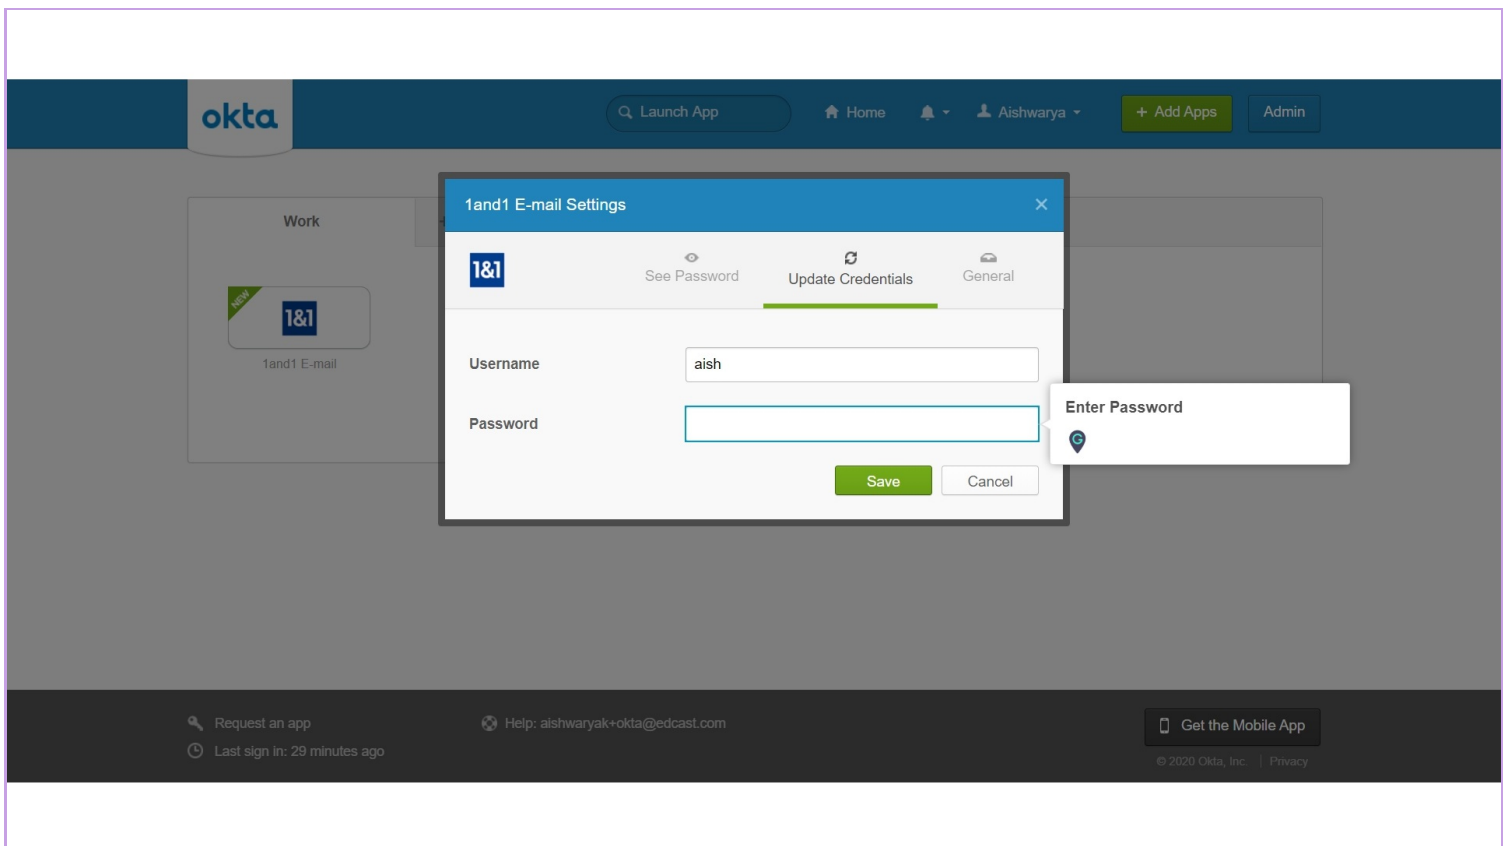

Step: 04

Enter Username

The screenshot displays the Okta Admin Console interface. At the top, the Okta logo is on the left, and navigation options like 'Launch App', 'Home', 'Aishwarya', '+ Add Apps', and 'Admin' are on the right. The main content area shows a 'Work' section with a '1and1 E-mail' app card. A modal dialog titled '1and1 E-mail Settings' is open, with the 'Update Credentials' tab selected. The 'Username' field contains the text 'aish', and a tooltip with the text 'Enter Username' is positioned over it. The 'Password' field is empty. 'Save' and 'Cancel' buttons are at the bottom of the dialog. The footer contains links for 'Request an app', 'Help: aishwaryak+okta@edcast.com', and 'Get the Mobile App', along with copyright information for Okta, Inc.

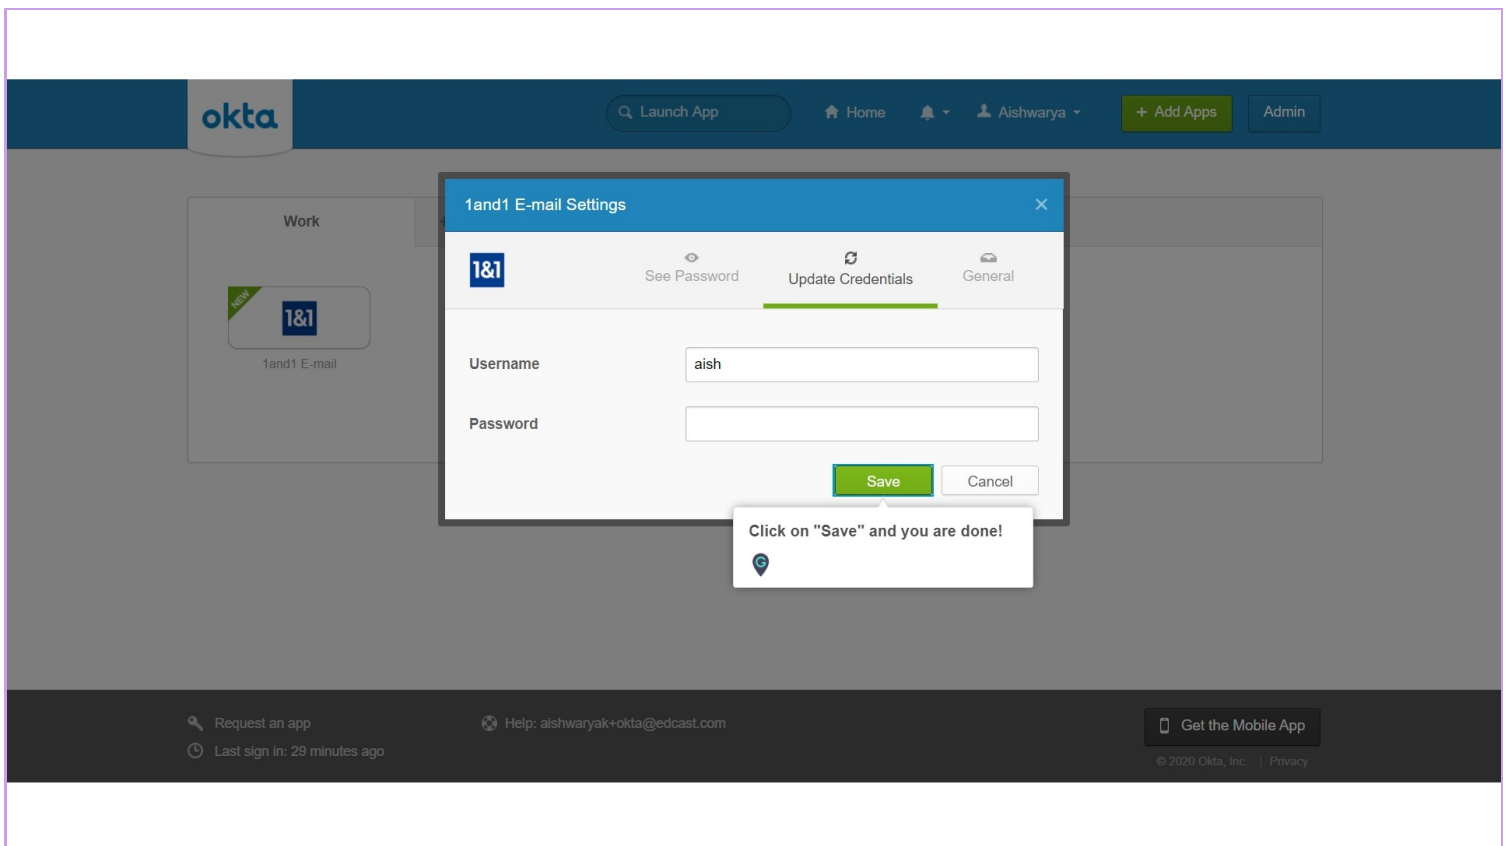

Step: 05

Enter Password

Step: 06

Click on "Save" and you are done!

The screenshot shows the Okta user interface. At the top, there is a dark blue header with the Okta logo, a search bar labeled "Launch App", and navigation links for "Home", "Aishwarya", "+ Add Apps", and "Admin". Below the header, a "Work" section contains a "1and1 E-mail" app icon. A modal dialog box titled "1and1 E-mail Settings" is open, featuring three tabs: "See Password", "Update Credentials" (which is active), and "General". The "Update Credentials" tab contains a "Username" field with the value "aish" and an empty "Password" field. At the bottom of the dialog are "Save" and "Cancel" buttons. A callout box points to the "Save" button with the text "Click on 'Save' and you are done!". The footer of the page includes links for "Request an app", "Last sign in: 29 minutes ago", "Help: aishwaryak+okta@edcast.com", and "Get the Mobile App", along with copyright information for Okta, Inc.

Thank You!
