

Quick Test

Step: 01

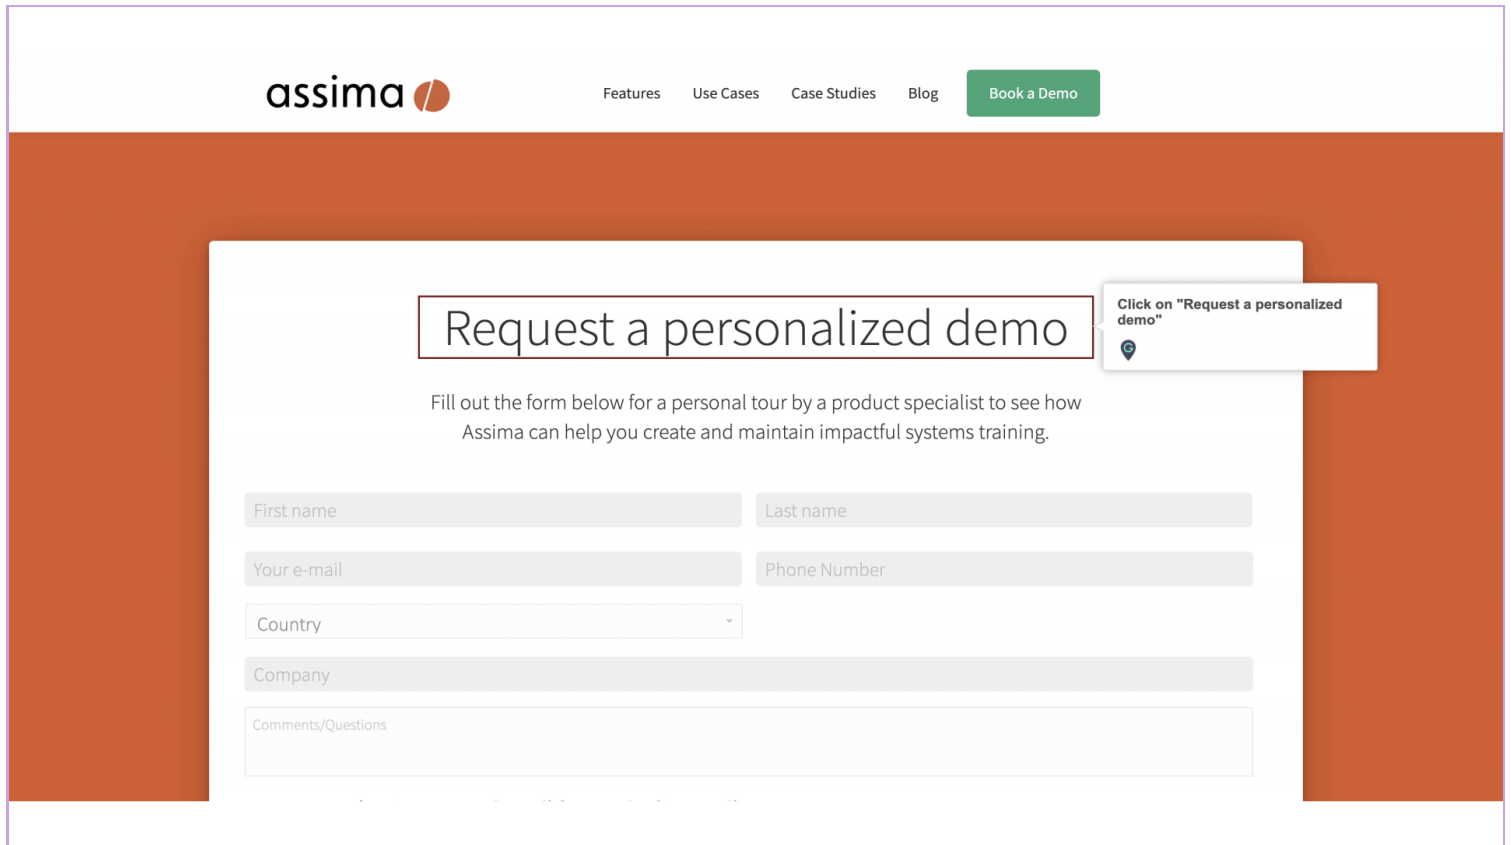

Click on "Book a Demo"

The screenshot shows the Assima website homepage. The Assima logo is in the top left. The navigation menu includes "Features", "Use Cases", "Case Studies", "Blog", and a highlighted "Book a Demo" button. A callout box points to this button with the text "Click on 'Book a Demo'". The main content area features the headline "The world's only authoring tool powered by a patented cloning technology" and a sub-headline "With Assima, creating hyper-realistic simulations is as simple as taking screenshots. Maintaining and adapting content is exponentially faster." A "Book a Demo" button is also present in the main content area. The background image shows a woman with curly hair and glasses working on a laptop at a desk with a coffee cup.

Step: 02

Click on "Request a personalized demo"

The screenshot shows the Assima website's navigation bar with the logo and links for Features, Use Cases, Case Studies, Blog, and a green 'Book a Demo' button. Below the navigation is a large orange banner with a white form titled 'Request a personalized demo'. The form contains the following fields:

- First name
- Last name
- Your e-mail
- Phone Number
- Country (dropdown menu)
- Company
- Comments/Questions

A callout box with a location pin icon points to the text 'Request a personalized demo' and contains the instruction: 'Click on "Request a personalized demo"'. Below the form, there is a small, faint text: '© 2017 Assima. All rights reserved. Terms & Conditions'.
